Product short description:

Gradi Plastica Colonnello Aeronautica Militare: plastic colonel rank insignia designed for officers and uniformed personnel who want an authentic, neat display of rank on official uniforms.

- **Material:** Durable plastic with a quality finish that preserves the rank's appearance.
- **Use:** Intended for officers and uniformed staff; suitable for official and dress uniforms.
- **Durability:** Precise, sturdy construction resists wear and maintains its look over time.
- **Fit:** Designed for standard placement on Aeronautica Militare uniforms to add a distinguished touch.

Product description:

Product overview

These Gradi Plastica Colonnello Aeronautica Militare are a pair of plastic Colonel rank insignia designed for the paramano of the standard Aeronautica Militare uniform. They are intended for serving personnel, collectors, and anyone updating a duty or ceremonial uniform.

Definition: A pair of dark blue cloth-backed plastic Colonel rank patches with a gold lozenge above three gold galloons, made for the Aeronautica Militare uniform.

Main features

Clear, durable insignia built to present a professional appearance on the ordinary uniform; also listed for military surplus and tactical gear buyers.

- **Material:** High-quality, durable plastic on dark blue cloth backing.
- **Design:** Gold lozenge above three gold galloons—Colonel rank for Aeronautica Militare.
- **Fit:** Sold as a pair for the paramano (shoulder strap) of the ordinary uniform.
- **Ease of use:** Designed for straightforward application and a tidy finish.
- **Availability:** Supplied in the standard dark blue with gold details only.

How to use / When it’s useful

Quick answer: These insignia are meant to be placed on the paramano of the Aeronautica Militare ordinary uniform where rank patches are worn. They are suitable for uniform replacement, display, or collectible use.

In most cases: align the patch on the shoulder strap and attach it using the method required by your unit or service dress rules. Ideal for duty and ceremonial wear, and popular with military surplus and tactical-gear shoppers who want authentic-looking rank insignia.

Care and notes

Maintain appearance and longevity with simple care and by following uniform rules.

- Clean gently with a soft, damp cloth; avoid solvents and abrasive cleaners.
- Store flat in a cool, dry place to prevent bending or discoloration.
- Check unit or service regulations before wearing—use only where permitted.
- Limited stock: availability can be restricted due to demand.

FAQ

Q: What material are the ranks made of?

A: The ranks are made of high-quality plastic mounted on dark blue cloth backing for durability and a uniform appearance.

Q: How do I apply the ranks to my uniform?

A: They are designed for the paramano of the ordinary Aeronautica Militare uniform. Attach them using the method specified by your unit (sewing, approved fastener, or other authorized method).

Q: Are these available in other colors or finishes?

A: No. These insignia are supplied only on dark blue cloth with gold details to match the Colonel rank design of the Aeronautica Militare.

Q: Can I purchase more than one pair?

A: Yes, multiple pairs can be purchased while stock lasts. Note that availability is limited and demand is often high.

Q: What do the symbols mean?

A: The gold lozenge above three gold galloons identifies the Colonel rank in the Aeronautica Militare.

Q: Are these official or authorized for service use?

A: These items reproduce the Colonel rank design. Authorization for wear depends on your unit and service regulations—confirm with your chain of command before using them on official uniforms.

Tip: Choose the correct pair for your uniform type and check unit regulations before wearing. Browse related military surplus and tactical gear items if you need matching insignia, badges, or uniform accessories.
