Product short description:

The Fascetta Metallo NTM IRAQ is a heavy-duty metal clamp designed for industrial, DIY and repair use. Ideal for technicians, workshops and home users who need a secure, long-lasting fastening solution.

- **Material:** Made from high-quality metal for strength and consistent performance.
- **Use:** Suitable for industrial applications and do-it-yourself projects.
- **Fit:** Versatile design adapts to a range of diameters for flexible mounting.
- **Durability:** Robust construction provides stable fastening under load.
- **Finish:** Anti-corrosion coating extends service life in harsh conditions.

Product description:

Product overview

The **Fascetta Metallo NTM IRAQ** is a bronzed metal ribbon accessory designed for owners of the NATO NTM-IRAQ medal who want a neater, more professional presentation. It suits medal collectors, military surplus retailers, and tactical or duty/police displays.

Definition: The Fascetta Metallo NTM IRAQ is a bronzed metal strip (37 mm x 5 mm) made to fit the NATO NTM-IRAQ medal and enhance its appearance.

Main features

Compact, durable, and made to match the NATO NTM-IRAQ medal dimensions.

- **Material:** Bronzed metal for a professional finish and long-lasting use.
- **Size:** 37 mm x 5 mm, matched to the NATO NTM-IRAQ medal.
- **Design:** Slim, balanced profile that improves the medal's presentation.
- **Easy to apply:** Designed for quick installation on the corresponding medal.
- **Durability:** Sturdy metal construction suitable for display and regular use.
- **Use cases:** Ideal for collectors, military surplus shops, tactical displays, and duty/police presentations.

How to use / When it's useful

Use the **Fascetta Metallo NTM IRAQ** whenever you want a cleaner, more formal look for the NATO NTM-IRAQ medal — for ceremonies, displays, or uniform presentation. It is intended to be fitted to that specific medal to ensure a uniform appearance.

Quick answer: It fits the NATO NTM-IRAQ medal and is designed for easy attachment. In most cases, this fascetta is applied to improve presentation on uniforms, display cases, or in private collections.

Care and notes

Simple care keeps the bronzed finish looking its best and ensures a consistent fit with the intended medal.

- Avoid harsh abrasives; clean with a soft, dry cloth or mild soap and water if needed.
- Bronzed finish may develop a natural patina over time; this is normal for metal accessories.
- Check measurements (37 mm x 5 mm) before purchase if you plan to use it with a different medal.
- Availability may be limited; verify stock before placing an order.

FAQ

Q: What are the dimensions of the Fascetta Metallo NTM IRAQ?

A: The fascetta measures 37 mm x 5 mm, specifically matched to the NATO NTM-IRAQ medal.

Q: What material is the fascetta made from?

A: It is made from bronzed metal, chosen for durability and a refined appearance.

Q: Is it easy to fit onto the medal?

A: Yes. The accessory is designed for straightforward application to the NATO NTM-IRAQ medal; installation is usually quick and simple.

Q: Can I use this fascetta with other medals?

A: It is specifically designed for the NATO NTM-IRAQ medal. It may fit other medals only if their ribbon/bar dimensions match 37 mm x 5 mm.

Q: How should I clean and care for the fascetta?

A: Wipe with a soft cloth or mild soapy water for light cleaning. Avoid abrasive cleaners to protect the bronzed finish.

Q: Is this item often out of stock?

A: The fascetta is made in limited quantities and can be in high demand. Check current availability before completing your purchase.

Tip: Confirm the 37 mm x 5 mm measurements before buying and consider browsing related medals and military surplus or tactical display accessories to complete your presentation.
