**How to use / When it’s useful**

Quick answer: use this badge as a collectible, a display item in a shadow box or frame, or as a commemorative keepsake for veterans and supporters of NATO missions. It is not described as an official issued medal replacement but as a remembrance piece.

In most cases, collectors place it in display cases, on a lapel board, or within a veteran’s memorabilia collection to preserve the memory of the SFOR mission (1996–2004). It is also appropriate as a thoughtful gift for those connected to the mission or interested in military history.

**Care and notes**

Simple care will keep the badge in good condition; handle it gently due to its small size and metal finish.

- Store dry and avoid prolonged exposure to moisture to limit tarnishing.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners that can damage the finish.
- Because the badge is small (2.4 cm), keep out of reach of young children to prevent choking risk.
