**Main features**

Compact, low?visibility design with durable materials and a Velcro backing for quick attachment and removal.

- **Low?visibility design:** olive green background with two black converging chevrons and a thin green stripe.
- **Perfect size:** 7 cm length × 5 cm height, fits polo shirts and t?shirts without being intrusive.
- **Velcro backing:** secure, instant application and removal for field use or uniform changes.
- **Durable construction:** quality materials and reinforced stitching for long life in demanding conditions.
- **Restricted sale:** reserved to Italian military personnel after verification.

**How to use / When it’s useful**

Attach the patch to the Velcro panel on the chest or sleeve of an olive?green polo or t?shirt. Quick answer: press firmly onto the matching Velcro surface so the badge sits flat and secure.

Use it for daily duty, training, or low?visibility operations where standard identification is required. In most cases, the patch can be removed, washed separately, and reattached without affecting fit or appearance.

**Care and notes**

Keep the patch clean and check Velcro surfaces regularly to maintain adhesion and appearance. Sale is subject to eligibility verification for Esercito Italiano personnel.

- Hand wash or gentle machine wash the garment; remove patch before washing if possible.
- Allow patch to air dry; avoid high heat on Velcro to preserve hook-and-loop strength.
