Product short description:

Universal Battery Pouch in Black Cordura — a compact pouch to organize and protect batteries. Ideal for users who want a tidy, secure solution for carrying batteries during everyday use, fieldwork, or storage.

- **Material:** Made from durable black Cordura fabric for long-lasting wear.
- **Protection:** Provides protection from knocks and scratches to preserve battery condition.
- **Fit:** Universal design fits a range of common battery sizes.
- **Closure:** Secure fastening keeps batteries in place during transport.
- **Carry:** Compact, lightweight and easy to stow in a pack, kit, or vehicle.

Product description:

Product overview

The Portapila Universale in Cordura Nera is a compact battery pouch designed for professionals and outdoor users who need secure, organized storage for spare batteries. Definition: a black Cordura pouch with an adjustable, removable closure and attachment loops for belts or packs.

Built from durable black Cordura, this pouch suits tactical kits, military surplus setups, police duty gear and everyday outdoor use. It keeps batteries protected, easy to access and simple to attach to belts, backpacks or load-bearing equipment.

Main features

A sturdy, no-nonsense pouch that balances protection, compact size and compatibility.

- **High-quality material:** Made from abrasion-resistant black Cordura for long service life.
- **Adjustable, removable closure:** Fits a range of battery sizes and secures the contents.
- **Webbing/strap loops:** Easy to attach to belts, backpacks or MOLLE-style gear.
- **Compact dimensions:** 13.5 cm H x 5 cm W x 5 cm D — space-saving and portable.
- **Versatile use:** Suitable for tactical, military surplus, duty and outdoor applications.

How to use / When it’s useful

Quick answer: use it to store and protect spare batteries while on patrol, in the field, or during outdoor activities. Slip it onto a belt or thread it through your pack webbing for immediate access.

In most cases, it is useful for technicians, first responders, police officers and outdoor enthusiasts who need a small, secure pouch for portable power. Its adjustable closure allows it to hold different battery lengths and quantities depending on your needs.

Care and notes

Simple care keeps the pouch functional and looking good over time.

- Wipe clean with a damp cloth; avoid harsh detergents.
- Allow to dry fully if exposed to moisture before storing batteries.
- Inspect the closure and webbing loops periodically for wear.

FAQ

Q: What are the pouch dimensions?

A: The dimensions are 13.5 cm height x 5 cm width x 5 cm depth. Compact enough for belt or pack attachment.

Q: Which battery sizes does it fit?

A: The adjustable, removable closure allows the pouch to accommodate a range of common battery sizes. Exact fit depends on battery length and quantity.

Q: How do I attach it to a belt or backpack?

A: Use the built-in webbing/strap loops to thread the pouch onto belts, pack straps or MOLLE webbing for secure attachment.

Q: Is the material durable?

A: Yes, the pouch is made from black Cordura, known for abrasion resistance and long-lasting performance in tactical and outdoor use.

Q: Is the closure removable?

A: Yes, the closure is both adjustable and removable to help fit different battery sizes and to simplify packing or cleaning.

Q: Is this product suitable for tactical or duty use?

A: Yes, its compact size, durable Cordura construction and attachment loops make it suitable for tactical, military surplus, police duty and general outdoor applications.

Tip: Choose the right size and quantity for your typical batteries, and consider browsing related pouches and accessory items to build a complete carry setup.
