How to use / When it's useful

Use the neck format for formal uniforms and ceremonial occasions; the miniatures (20 mm or 12 mm) are ideal for dress uniforms or tuxedo lapels. The decoration works well in display cases, museum mounts, or as part of a uniform set for collectors.

Quick answer: Wear the neck badge with formal or ceremonial attire; use the 20 mm or 12 mm miniatures for gala dress or smoking. In most cases, choose the neck format for official-style uniforms and miniatures for evening dress or compact display.

Care and notes

Store and handle the decoration with care to preserve enamel and gilding; avoid abrasive cleaners and prolonged exposure to moisture.

- Store in a dry, padded case to prevent scratches and ribbon creasing.
- Check ribbon width when ordering (50 mm, 20 mm, 12 mm) to match intended use.
