## Product short description:

The Distintivo Rosetta Seta Commendatore OMRI is a distinguished badge featuring a refined silk rosette, crafted with artisan skill. A symbol of honor and distinction, it is suitable for recipients of the Commendatore rank, for official ceremonies, or for collectors of institutional insignia.

- **Material:** Silk rosette attached to a finely finished badge with handcrafted detailing.
- **Use:** For formal wear, state and institutional ceremonies, presentation or display.
- **Design:** Elegant, timeless rosette design that conveys prestige and dedication.
- **Gift:** Suitable as a commemorative or presentation accessory for honorees.

## Product description:

## Product overview

The Distintivo Rosetta Seta Commendatore OMRI is a small silk rosette for civilians who wish to display the Commendatore rank of the Ordine al Merito della Repubblica Italiana (OMRI) on formal clothing. It is intended for recipients of the honor, for ceremonial wear, collectors, and for use in military surplus or tactical/duty apparel contexts.

**Definition:** a 1.1 cm silk rosette in green and red with a central white enameled cross, made for wearing on civilian dress. Sold by Tutto Militare in limited quantities and designed for formal occasions.

### Main features

Compact, classic design and practical attachment make this rosette suitable for formal wear and collections.

- **Diameter:** 1.1 cm — discreet size for civilian clothing.
- **Material:** high-quality silk in the OMRI colors (green and red).
- **Central emblem:** white enameled cross at the rosette center, signifying the Commendatore (third) class.
- **Attachment:** rear clamp (morsetto) for easy application and removal.
- **Use:** designed for jackets, shirts and other formal garments.

### How to use / When it's useful

Quick answer: pin the rosette on the left chest near the heart for formal events and official ceremonies. The rear clamp allows quick fitting to most fabrics.

In most cases, wear it on civilian clothing during ceremonies, official receptions, or when representing the OMRI honor in public. It also fits well with military surplus or duty-style collections where a small, authentic-looking rosette is needed.

### Care and notes

Handle the silk rosette gently and keep it stored flat to preserve shape and color.

- Avoid prolonged exposure to moisture and direct sunlight.
- Attach and remove the clamp carefully to prevent stress on delicate fabrics.
- Store in a dry place, flat or cushioned, to keep the silk tidy.
- Limited availability: quantities are restricted — order while stock lasts.

### FAQ

**Q:** What is the size of the rosette?

**A:** The rosette has a diameter of 1.1 cm, designed to be small and unobtrusive on civilian clothing.

**Q:** What material is the rosette made from?

**A:** It is made from high-quality silk, using the green and red colors associated with the OMRI.

**Q:** How does the attachment work?

**A:** The rosette uses a rear clamp (morsetto) that clips onto fabric for easy application and removal.

**Q:** When should I wear this rosette?

**A:** It is intended for formal occasions and official ceremonies and is typically placed on the left chest near the heart.

**Q:** Is this the official OMRI award issued by the Republic?

**A:** This product is a civilian rosette representing the Commendatore class. The official award and its issuance are handled by the Republic; this item is an accessory for wearing or display.

**Q:** Where can I buy it and is it guaranteed?

**A:** The rosette is available from Tutto Militare. Items are offered with the seller's quality guarantee and supplied in limited quantities.

**Tip:** Choose the correct variant and check available stock before purchase; consider browsing related rosettes and ceremonial accessories to complete your formal or duty attire.
