Product overview

The Zaino Militare Coyote TAN is a mid-size tactical backpack designed for outdoor activities, tactical duty, and everyday carry for users who need a durable, organized pack. Definition: a rugged, multi-compartment military-style backpack in Coyote TAN for trekking, duty, police, and

daily use.

Built with reinforced double stitching and practical features like MOLLE attachment points and a reflective band, this pack balances durability and organization. Availability is limited due to high demand—suitable for military surplus collectors, tactical users, and outdoor enthusiasts.

Main features

Key features that make this backpack practical and adaptable.

- **Seven compartments** including a rear zip pocket, a large central compartment, and secondary compartments with internal pockets for organized storage.
- **MOLLE front attachments** for adding pouches and accessories to customize the loadout.
- **Reflective rectangular band** to improve visibility in low-light conditions.
- **Reinforced double stitching** for increased durability under heavy use.
- **Padded, adjustable shoulder straps with D-rings** plus a waist strap for better load distribution and comfort.
- **Carry handle** for convenient hand transport.
- **Dimensions and weight:** 47 cm H x 32 cm W x 16 cm D; weight 620 g.

How to use / When it’s useful

Quick answer: use it as a tactical daypack, a trekking pack, or an organized daily carry bag. Pack heavier items close to your back and use the MOLLE system to attach frequently used gear.

In most cases, this backpack works well for short missions, day hikes, and duty shifts where a compact, well-organized pack is needed. Adjust the padded straps and waist belt for comfort on longer outings and secure external pouches to expand capacity.

Care and notes

Basic care keeps the backpack functional and extends its service life.

- Spot clean with a damp cloth and mild soap; avoid machine washing to protect reinforcement.
- Allow to air dry completely before storage to prevent mildew.
- Not intended for full submersion; designed to resist rain and adverse weather but avoid prolonged exposure to water.
- Regularly inspect stitching and attachment points, especially after heavy use.
- Do not overload beyond recommended comfort for your body and straps.

FAQ

Q: What materials are used for the Zaino Militare Coyote TAN?

A: The pack is made from high-quality durable materials and features double reinforced stitching to improve strength and longevity.

Q: Is the backpack waterproof?

A: It is designed to resist adverse weather and light rain, offering water-resistant performance. It is not intended for full submersion.

Q: Can I add accessories to the backpack?

A: Yes. The front MOLLE attachment points allow you to add pouches and tactical accessories for customization.

Q: Are the shoulder straps adjustable?

A: Yes. The shoulder straps are padded and adjustable, include D-rings, and the pack also has a waist strap for better load stability.

Q: What is the carrying capacity of the backpack?
