How to use / When it’s useful

The soggolo is worn on the uniform at the temple/shoulder area as part of formal dress and rank display. It complements duty and ceremonial uniforms used by the Polizia Penitenziaria.

Quick answer: wear the soggolo on the designated side of the uniform during official duties and ceremonies. In most cases, it is fitted by attaching the cord where other rank cords are positioned and is inspected as part of standard uniform checks.

Care and notes

Simple care keeps the cord looking sharp and preserves the silver canutiglia finish.

- Store flat or hung to avoid crushing the twisted cord.
- Clean gently with a soft, dry cloth; avoid harsh chemicals that could affect the finish.
- Sale is restricted: you must provide a copy of your service ID or service certificate before purchase is approved.
