Product overview

The Kefiah Shemag Vegetato is a versatile head and neck wrap for outdoor use, tactical-style wear, and everyday protection. It is intended for hikers, campers, military surplus enthusiasts, police duty users, and anyone needing lightweight wind and sun coverage.

Definition: a Kefiah Shemag is a square cloth worn folded and wrapped around the head or neck

for protection and comfort. This model is made from 100% sand-resistant cotton with a vegetato camouflage pattern and measures 100 x 115 cm.

Main features

Practical construction and a roomy size make this shemag easy to use in many situations.

- **Material:** 100% sand-resistant cotton for a soft, breathable feel.
- **Protection:** Helps shield skin from wind and sun during outdoor activities.
- **Size:** Generous 100 x 115 cm dimensions allow multiple wrapping styles.
- **Versatility:** Wear as a head wrap, neck gaiter, face cover or lightweight hood.
- **Design:** Vegetato camouflage pattern for a tactical or military surplus look.
- **Easy to use:** Folds and secures quickly without special tools.

How to use / When it’s useful

Fold the shemag into a triangle and wrap it around the head and neck to cover exposed skin. It works well for sun protection, wind resistance, dust reduction and light insulation.

Quick answer: fold into a triangle and tie or tuck the ends at the back of the neck. In most cases, this provides instant protection on hikes, at the range, while camping, or during outdoor work.

Care and notes

Simple care keeps the cotton soft and the pattern clear. Follow these basic handling tips:

- Hand wash or machine wash on a gentle cycle with similar colors.
- Avoid bleach and strong detergents to protect the fabric and print.
- Air dry flat or hang to preserve shape; iron on low if needed.
- Store dry and folded to prevent mildew or odor.

FAQ

Q: What are the exact dimensions?

A: The Kefiah Shemag Vegetato measures 100 x 115 cm, large enough to fold into a triangle and wrap around head and neck.

Q: What material is the shemag made from?

A: It is made from 100% sand-resistant cotton, chosen for breathability and a soft touch.

Q: How do I wear the shemag for best protection?

A: Fold it into a triangle, place the long edge across your forehead or neck, then tie or tuck the ends behind your head for secure coverage.

Q: Does it protect from sun and wind?

A: Yes, the fabric provides effective basic protection against wind and sun in everyday outdoor conditions, though it is not a substitute for certified protective equipment.

Q: Is the Kefiah Shemag Vegetato available in other colors?

A: This listing is for the vegetato camouflage pattern only. Availability of other patterns or colors may vary over time.

Q: Is this suitable for tactical or police use?

A: The shemag suits tactical-style wear and practical outdoor tasks. It is a general-purpose accessory and not issued protective gear; suitability depends on your specific duty requirements.

Tip: Choose the 100 x 115 cm size for flexible wrapping options and check related tactical scarves and outdoor headwear to complete your kit. Consider how you will use it (sun, dust, tactical styling) when pairing with other items.
