Product short description:

The Maserin Sport & Caccia is a compact folding knife made for sport and hunting. It delivers a practical, easy-to-handle cutting tool for hunters and outdoor enthusiasts who need dependable pocket carry for field tasks. Its folding design protects the blade when not in use and keeps the knife compact for transport.

- **Brand:** Maserin — Sport & Caccia model
- **Type:** Folding knife; blade folds into the handle for safe storage
- **Use:** Suitable for hunting, camping and general outdoor cutting tasks
- **Carry:** Pocket-friendly profile for easy transport during field work
- **Handling:** Practical, straightforward design suitable for beginners and experienced users

Product description:

Product overview

The Maserin Caccia & Sport folding knife is a compact, practical tool designed for hunters, outdoor enthusiasts and everyday carry users. It pairs a partially serrated and plain AISI 440

blade with a durable G10 handle for reliable field use.

Definition: A folding hunting and sport knife with an 8 cm blade and internal pocket clip, suited to hunting, tactical and outdoor tasks.

Main features

Built for versatility and ease of carry, this Maserin knife balances blade performance and a secure grip in a lightweight package.

- **Blade:** AISI 440 steel, two-tone finish (black and silver) with both serrated and plain edges for varied cutting tasks.
- **Size:** Total length 18 cm; blade length 8 cm.
- **Weight:** 102 g—compact and easy to carry.
- **Handle:** Black G10 for an ergonomic, non-slip grip.
- **Carry:** Internal clip for attachment to a pocket or waistband for quick access.

How to use / When it’s useful

Quick answer: Use it for field dressing, rope and cord cutting, campsite tasks, food prep and general outdoor needs. The dual-edge blade handles both fine slicing and tougher cuts.

In most cases, carry it folded with the clip secured to a pocket or pant edge for safe, immediate access. Suitable for hunting, tactical or everyday outdoor tasks where a compact folding knife is required.

Care and notes

Simple care keeps the knife functioning reliably over time.

- Clean and dry the blade after use to reduce surface corrosion.
- Apply a light oil to the pivot and blade occasionally to maintain smooth opening.
- Store folded and out of reach of children; handle the blade with care to avoid injury.
- Avoid using the knife as a pry tool to prevent damage to the blade or handle.

FAQ

Q: What material is the blade made of?

A: The blade is made of AISI 440 steel, a stainless grade known for good hardness and reasonable corrosion resistance for outdoor use.

Q: What are the knife dimensions?

A: The knife measures 18 cm in total length with an 8 cm blade when open. These compact dimensions suit pocket carry and field tasks.

Q: Is the knife easy to carry?

A: Yes. It folds for safe carry and includes an internal clip to attach to a pocket or the edge of pants for quick access.

Q: Is the handle comfortable for extended use?

A: The handle is made from G10 in black and is shaped for a secure, ergonomic grip during typical outdoor tasks.

Q: Will the blade resist rust?

A: AISI 440 offers decent resistance to corrosion, but routine cleaning and drying after exposure to moisture will help preserve the edge and finish.

Q: What is this knife best suited for?

A: It is best suited for hunting support tasks, campsite and general outdoor use where a compact, reliable folding knife is needed.

Tip: Choose the right knife based on blade length and carry style for your needs, and check related hunting, tactical and outdoor gear to complete your kit.
