### Product overview

These Bottoni Metallo Taschino Generale GdF da Giacca are 15 mm silvered metal jacket pocket buttons that reproduce the Guardia di Finanza flame in relief. They are intended for serving Guardia di Finanza personnel and are reserved for that corps.

Definition: A 15 mm silvered metal convex jacket pocket button with the Guardia di Finanza flame, for authorised Guardia di Finanza use. Suitable for uniform, duty and tactical or military surplus collections.

**Main features**

Compact, durable jacket buttons designed to match Guardia di Finanza uniforms and to offer a clear sign of membership and duty status.

- **Design:** Convex button with the Guardia di Finanza flame encircled by a cord in relief.
- **Material:** Silvered metal for a durable, formal finish.
- **Size:** Diameter 15 mm — ideal for jacket pocket placement.
- **Restricted sale:** Reserved for Guardia di Finanza personnel only.
- **Verification required:** Purchase requires submission of ID or service attestation for approval.

**How to use / When it’s useful**

Use these buttons on the breast pocket of the service jacket to maintain a uniform appearance and display official affiliation. They are appropriate for day-to-day duty wear, ceremonial uniforms, or for military surplus collectors who are verified personnel.

Quick answer: Fit the 15 mm button to the jacket pocket where standard pocket buttons are mounted. In most cases, you will attach them in the same position as other standard jacket pocket buttons and keep them for regular duty or formal uniforms.

**Care and notes**

Basic care keeps the silvered finish neat and prevents premature wear; avoid harsh chemicals and abrasive cleaning.

- Wipe gently with a soft, dry cloth to remove fingerprints and dust.
- Avoid strong cleaners or abrasive pads that can damage the silvered surface.
- Sale is restricted: you must submit a copy of your tesserino or a service attestation for verification.
- Delivery can be arranged to your command’s address; the command will be verified before purchase is enabled.

## FAQ

**Q:** Who can purchase these buttons?

**A:** Only serving personnel of the Guardia di Finanza can buy these buttons, subject to verification of identity or service.

**Q:** What material are the buttons made of?

**A:** The buttons are made of silvered metal, chosen for durability and a formal appearance on duty and uniform garments.

**Q:** What are the button dimensions?

**A:** Each button has a diameter of 15 mm, sized specifically for jacket pocket placement.

**Q:** How do I prove my eligibility to buy?

**A:** You must send a copy of your tesserino or an official service attestation through the site’s contact area for account verification and approval.

**Q:** Can these be shipped to a personal address?

**A:** You may indicate your command’s address as the delivery location; the command will be checked before the purchase is approved.

**Q:** Are these buttons suitable for collectors?
