## Product overview

The Soggolo Maresciallo 3^ Classe Aeronautica Militare is a rank-specific uniform accessory intended for serving personnel of the Italian Air Force and for licensed collectors. It is a decorative band applied to the uniform at temple level to indicate the rank of Maresciallo 3^ Classe.

Definition: a rank-specific uniform accessory for the Aeronautica Militare. Ideal for duty wear,

military surplus collections, and tactical or ceremonial uniforms.

**Main features**

Designed and finished to match official Air Force appearance standards, this soggolo blends durability and a clean, professional look.

- **Materials:** golden ribbon on black salpa for durable, long-lasting construction.
- **Distinctive stripe:** central blue stripe, 5 mm wide, for immediate recognition.
- **Size:** length 32 cm, height 15 mm — designed to fit standard uniform placement.
- **Rank detail:** azure-striped galloncini edged in black (one rail per side) applied at temple level.
- **Reserved supply:** available only to Aeronautica Militare personnel and approved collectors.

**How to use / When it’s useful**

Quick answer: wear the soggolo on the uniform at the temple area as the official rank identifier for Maresciallo 3^ Classe. It pairs with formal and duty uniforms where rank insignia are required.

In most cases, this item is supplied after identity verification and is used by serving Air Force members; licensed collectors may acquire it with the proper prefectoral documentation. Useful for military surplus displays, tactical kit presentations, and formal uniform fittings.

**Care and notes**

Keep the soggolo stored flat and dry to preserve shape and color. Handle the galloncini gently to avoid fraying.

- Store away from direct sunlight and moisture to prevent fading or damage.
- Gently clean with a soft cloth; avoid aggressive chemicals or washing machines.
- Sale is subject to identity verification — see FAQ for required documents.
