Quick answer: attach the badge using the rear clamp to jackets, uniform lapels or display panels where a small, secure emblem is needed. Check the clamp fit against the fabric thickness before regular use.

In most cases, this badge is used for formal presentation, collection displays or as a visible marker of affiliation in non-operational contexts. It works well on jackets, blazers, display boards and collector cases for military or police-themed items.

Care and notes

Basic care helps preserve finish and attachment strength.

- Wipe gently with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
