How to use / When it’s useful

Quick answer: Use this badge as a collectible display item, in a shadow box, on a display board, or as part of a military surplus or tactical gear collection. It is designed for collecting and display rather than active duty use.

In most cases, collectors add it to themed displays with other mission patches, medals, or police memorabilia to document service history or build a focused collection. Its small size makes it ideal for compact exhibits or framed arrangements.
