How to use / When it’s useful

Quick answer: apply the badge to the rabbit-felt alpine hat used by Ufficiali, Sottufficiali and Volontari in Servizio Permanente in the Guastatori Alpini. It is intended as a uniform emblem or a collectible piece for military surplus enthusiasts.

In most cases, the badge is sewn onto the hat following unit or tailoring practices; it complements duty uniforms and can be used for formal wear or presentation displays. Its size and backing are designed to sit correctly on the alpine hat crown.

Care and notes

Handmade with fine materials: treat the badge as a delicate, crafted item to preserve the embroidery and gold canutiglia finish.

- Clean gently with a soft brush or cloth; avoid soaking or machine washing the hat with the badge attached.
- If attaching to the hat, sew carefully or consult a professional tailor to maintain appearance and stability.
