How to use / When it’s useful

Quick answer: Attach the pair to the jacket collar as the command rank insignia for Polizia Locale uniforms. They are most useful for formal duty, inspections and official events where a neat, authoritative appearance is required.

In most cases, the alamari slide onto or are sewn onto the collar according to your uniform regulations; check your department’s uniform policy for placement. They are a uniform accessory aimed at police duty and ceremonial use rather than casual wear.
