Product short description:

Metal rank insignia for Sergente of the Esercito, designed to complete your uniform with authenticity and pride. Manufactured from durable metal alloys, they resist everyday wear and keep a sharp, professional appearance suitable for both parade and field use.

- **Material:** Durable metal alloy with quality plating.
- **Use:** Suitable for ceremonial wear and daily duty uniforms.
- **Finish:** Detailed engraving and a polished, professional look.
- **Attachment:** Easy to attach for a secure, long-lasting fit.
- **Symbol:** Represents leadership and commitment for Sergeants.

Product description:

Product overview

These Metal Sergeant Rank Badges (Gradi Metallo Sergente Esercito) are metal insignia designed for the rigid epaulettes of the Italian Army (Esercito). They are intended for authorized military personnel who need official sergeant rank badges for duty, ceremonial or uniform use.

Definition: metal sergeant rank badges composed of two chevrons in a V shape, with a central black spacer, sized for standard rigid shoulder boards. Suitable for tactical, military surplus and duty uniform applications.

Main features

Carefully manufactured rank badges with clear dimensions and a durable finish for long-term uniform use.

- **Design:** two chevrons arranged in a V with the point downward and a 2 mm black spacer line.
- **Size:** total width 45 mm; each chevron wing height 25 mm; 2 mm gap between chevrons.
- **Materials:** high-quality metal construction with precise workmanship for uniform appearance.
- **Durability:** made to retain appearance under regular uniform wear.
- **Intended use:** made for rigid uniform epaulettes of the Esercito, suitable for duty and ceremonial uniforms.
- **Sale restriction:** sale reserved to verified military personnel (see notes).

How to use / When it’s useful

These badges are applied to the rigid shoulder board (controspallina) of the ordinary uniform to indicate the rank of Sergente. They are most useful when a clear, regulation-style metal insignia is required for duty, drill, or formal occasions.

Quick answer: use these on the rigid epaulette areas of an Esercito uniform where metal sergeant insignia are required.
In most cases, purchase is available only after verification of military status (CMD or service certificate) and delivery can be arranged to your barracks address.

Care and notes

Basic care will keep the badges presentable and in regulation condition; follow these practical notes.

- Avoid abrasive cleaners; wipe with a soft cloth to remove dirt and preserve finish.
- Store in a dry place to prevent corrosion or surface wear.
- Sale reserved to military personnel: you must provide CMD or a service certificate for verification before purchase.
- Do not purchase on behalf of another person; orders are personal and tied to verification documents.

FAQ

Q: Who can buy the Gradi Metallo Sergente Esercito?

A: Only military personnel who can be verified with a CMD or a service certificate may purchase these badges. Verification is required before the order is processed.

Q: How do I submit my service documentation for verification?

A: Submit a copy of your CMD or service certificate through the contact form on our website or via the specified verification channel provided at checkout. Documentation must clearly show your affiliation.

Q: What are the exact dimensions of the badge?

A: The badge has a total width of 45 mm. Each chevron wing is 25 mm in height, and the black spacer line and gap between chevrons measure 2 mm.

Q: Can I buy these badges for a colleague?

A: No. Purchases are personal and tied to the verified rank holder. Orders for others are not accepted without that person’s verification documents.

Q: How is delivery handled?

A: Delivery can be arranged to the barracks or service address provided during order, once verification is complete. Specific delivery options depend on the verified service location.

Q: What materials are used and how long do they last?

A: The badges are made from metal with a durable finish and precision workmanship. With normal care and proper storage they retain a serviceable appearance for extended use.

Tip: Choose the correct variant and verify your rank documentation before ordering. Check related tactical and military surplus items to complete your uniform, and select the option that matches your epaulette type to ensure proper fit and appearance.
