Product features:

Product short description:

The "Fregio Metallo Basco CIMIC" is a metal badge inspired by Basque tradition, designed to add a touch of historical character to clothing or a collector's display. It is suitable for collectors, history enthusiasts, and anyone who prefers authentic, refined accessories for personal gear or presentation.

- **Material:** Quality metal construction with a careful finish that preserves appearance over time.
- **Design:** Refined and detailed Basque motif reflecting regional cultural heritage and craftsmanship.
- **Use:** Ideal for personalizing apparel, equipment, or collection displays without altering the item's original look.
- **Gift:** A thoughtful present for collectors and those who appreciate traditional craftsmanship.
