- **Design:** Refined design with careful attention to accurate details honoring the regiment's history.
- **Gift:** A thoughtful present for those who appreciate Italian art and culture.

Product description:

Product overview

Pair of enamel collar insignia for the 9° Reggimento Cavalleria Lancieri di Firenze, designed for serving Army personnel and licensed collectors. These are decorative rank insignia in a three-

point flame shape with a silver five-point star, intended for use on dress or duty uniforms.

Definition: a pair of enamel collar insignia (mostrine) measuring 25 x 50 mm, made for members of the Italian Army and authorized collectors. Ideal for military, tactical, and military surplus collectors or for duty uniform use.

Main features

Clear, durable design and secure attachment make these mostrine suitable for uniform wear and collection.

- **Distinctive design:** Orange enamel with a black border in a three-point flame shape and a silver five-point metal star.
- **Size:** 25 x 50 mm (pair).
- **Secure fastener:** Rear clamp attachment for stable wear.
- **Pair included:** Sold as a matched pair of mostrine.
- **Restricted sale:** Available to Army personnel or collectors with the required prefettizia license (art. 28 TULPS).
- **Suitable uses:** For dress/duty uniform display, tactical dress, or as part of a military surplus collection.

How to use / When it’s useful

Quick answer: Wear the mostrine on the uniform where collar insignia are required, attaching them with the rear clamps for a secure fit. They are also suitable for collectors who keep authentic regimental items on display.

In most cases, purchase and delivery require proof of entitlement. Serving personnel must provide a copy of their service ID or list the barracks as the delivery address; collectors must provide a prefettizia license under art. 28 TULPS. This ensures the item is supplied according to Italian regulations.

Care and notes

Basic care helps preserve the enamel and metal star; follow these simple guidelines.

- Store in a dry place and avoid prolonged exposure to moisture.
- Clean gently with a soft cloth; avoid abrasive cleaners that could damage the enamel.
- Check the rear clamps periodically to ensure the fastener remains secure.
- Sale is restricted: you must send proof of entitlement (service ID or prefettizia license) as part of the order process.

FAQ

Q: Who can purchase these Mostrine 9 Lancieri di Firenze?

A: Serving Army personnel can purchase them by providing a copy of their service ID or listing the barracks as the delivery address. Licensed collectors may buy them with the required prefettizia license (art. 28 TULPS).

Q: What are the exact dimensions of the mostrine?

A: Each insignia measures 25 x 50 mm. The product is sold as a pair matched for left and right wear.

Q: How are the mostrine attached to the uniform?

A: They use a rear clamp fastener that holds the insignia firmly in place on the collar or designated uniform location.

Q: What materials and colors are used?

A: The insignia are enamelled in orange with a black border and feature a silver-colored five-point metal star at the center.

Q: Can collectors buy these mostrine?

A: Yes. Collectors must supply a copy of the prefettizia license under art. 28 TULPS as proof of authorization before purchase and shipment.

Q: What documentation is required to complete an order?

A: Serving personnel must submit a copy of their service ID or specify the barracks delivery address during order registration. Collectors must submit the prefettizia license copy; orders will be processed after verification.

Tip: Choose the correct variant and confirm delivery details before checkout. Browse related military surplus and tactical insignia to find matching uniform items or collector pieces.
