Product short description:

The Soft Shell Tactical Jacket - Black is a versatile, mid-weight jacket designed for outdoor activities and urban use. It suits users who want practical, comfortable outerwear with a tactical appearance.

- **Material:** High-quality soft shell fabric that balances durability, breathability and comfort.
- **Protection:** Wind-resistant construction with a water-repellent finish to guard against light rain.
- **Fit:** Ergonomic cut and flexible fabric ensure freedom of movement during activity.
- **Pockets:** Multiple pockets provide secure storage for essentials and quick access.

Product description:

Product overview

The Giubbino Tattico Soft Shell Nero is a black tactical soft-shell jacket designed for outdoor use by security, police, duty personnel, and military surplus enthusiasts who need a durable, weather-resistant layer. It combines wind protection, water resistance, and breathable insulation for daily

duty or outdoor activities.

Definition: a soft-shell tactical jacket with a triple-layer construction and a DuPont Teflon membrane that balances water resistance and breathability.

Main features

Built for function and comfort, this jacket offers multiple pockets, reinforced areas, and configurable ventilation for tactical or everyday use.

- **Waterproof & breathable:** Triple-layer construction with a DuPont Teflon membrane repels water and moisture while allowing breathability and body heat retention.
- **Windstopper outer:** High-density 100% polyester stretch outer fabric with microfibre fleece lining for wind protection and comfort.
- **Functional pockets:** Two large chest pockets, two sleeve pockets, two internal pockets, a forearm pocket, and two rear pockets with double zippers; internal zip pocket on the right side.
- **Configurable hood & collar:** Shaped fleece-lined collar with a hood that stows into the collar and a removable drawcord.
- **Ventilation & patch-ready:** Under-arm ventilation openings and Velcro panels for attaching patches.
- **Reinforcements & closures:** Reinforced forearms and wrist closure straps for fit and durability.

How to use / When it’s useful

Use this soft-shell jacket as a mid-layer in cold conditions or as an outer layer in cool, windy, or wet weather. It works well for patrols, fieldwork, hiking, and general tactical or duty use where mobility and protection are needed.

Quick answer: it is suitable for multi-season use when paired with appropriate base layers. In most cases, wear it as a breathable windproof shell during active duties or as an insulating outer layer in light rain.

Care and notes

Follow simple care steps to maintain the jacket’s performance and longevity.

- Wash by hand or machine on a gentle cycle using a detergent for technical garments.
- Close zippers and fasten Velcro before washing to reduce wear and snagging.
- Avoid bleach, fabric softeners, and harsh chemicals that can damage the membrane.
- Check the removable drawcord and stowed hood before laundering.

FAQ

Q: Is this jacket suitable for all seasons?

A: Yes. The jacket’s breathable membrane and fleece lining make it adaptable across seasons when layered appropriately.

Q: How should I wash the jacket?

A: Hand wash or use a gentle machine cycle with a technical detergent. Close zippers and Velcro before washing to protect fabrics and closures.

Q: Is the hood removable?

A: The hood stows inside the collar and uses a removable drawcord; it can be tucked away for a cleaner profile.

Q: What sizes are available?

A: The jacket is offered in multiple sizes. Please consult the size guide to choose the correct fit for tactical, duty, or civilian use.

Q: Does the jacket come with a warranty?

A: Yes, it is covered by a quality guarantee. For details about coverage and claims, refer to the seller’s warranty policy.

Q: Can I attach unit or morale patches?

A: Yes. The jacket includes Velcro panels under the arms to apply patches and identification as needed.

Tip: Choose the right size and variant for your intended use; check the size guide before ordering and browse related tactical and duty gear to complete your setup.
