How to use / When it’s useful

Quick answer: Attach the badge to the uniform using the rear pin; it is sized to sit neatly without being bulky. It works well on service jackets, flight jackets, or display boards for collectors.

In most cases, purchase and delivery are subject to authorization: members of the Arma dei Carabinieri must provide their military ID or specify a service barracks for delivery, and collectors must present a prefectoral license under art. 28 of the TULPS. Use this badge for duty identification, ceremonial wear, or as part of a military surplus or tactical-gear collection.

Care and notes

Basic care keeps the enamel and metal finish in good condition and preserves the badge for display or regular wear.

- Wipe gently with a soft, dry cloth to remove dust; avoid abrasive cleaners and strong chemicals.
- Store in a dry place away from prolonged sunlight to prevent fading of enamel colors.
- Sale restricted: proof of military ID or a prefectoral license (art. 28 TULPS) is required at purchase.
- Limited availability: stock is produced in restricted quantities and is subject to demand.
