Product overview

The Fregio Basco Maestri di Scherma Militare is a metal beret badge designed for military fencing instructors, collectors, reenactors, and personnel who want a formal emblem for ceremonial or duty wear. It displays the traditional symbols of military fencing in a compact badge suitable for

berets.

Definition: a metal beret badge (fregio) representing the Maestri di Scherma Militare. Made in burnished silver-tone metal, this piece fits well in military surplus collections, tactical kits, and on duty uniforms where a classic emblem is required.

Main features

Clean, durable construction and a classic heraldic design make this badge both decorative and suitable for regular wear on a beret.

- **Distinctive oval design:** crossed sword and sabre joined by a ribbon, surrounded by laurel branches and topped by a turreted crown.
- **High-quality material:** burnished silver-tone metal for long-lasting appearance.
- **Compact size:** 4.5 cm width x 5.5 cm height — noticeable yet unobtrusive on a beret.
- **Secure attachment:** rear piccaglia fastener ensures the badge stays in place during movement.
- **Suitable use:** designed to be worn on most beret types and appropriate for uniforms, display, or collection.

How to use / When it’s useful

Attach the badge to the beret by aligning the piccaglia fastener with the fabric and pressing until secure. For uniform wear, place it on the standard position for your unit or according to dress regulations.

Quick answer: use it as a beret badge for formal uniforms, ceremonial occasions, or as a collector’s item. In most cases, the badge fits standard beret materials and maintains its position during normal activity, but always check the fit before extended wear.

Care and notes

Basic care keeps the metal finish clean and the fastener functional; handle with standard care for metal accessories.

- Wipe with a soft, dry cloth to remove fingerprints and light dirt.
- Avoid harsh chemicals or abrasive cleaners that could affect the burnished finish.
- Check the piccaglia fastener periodically to ensure it remains secure.
- Limited availability: stocks are small and items may sell out quickly.

FAQ

Q: What are the badge dimensions?

A: The badge measures 4.5 cm in width and 5.5 cm in height. These dimensions make it suitable for most berets without appearing oversized.

Q: What material is the badge made from?

A: It is made from burnished silver-tone metal. The finish provides a classic look while helping resist everyday wear.

Q: How does the badge attach to the beret?

A: The badge uses a rear piccaglia fastener (a secure back fitting). Press the fastener through the beret fabric and lock it in place to secure the badge.

Q: Will this badge fit any beret?

A: Yes, the badge is designed to fit most beret types and materials. For very thin or highly textured berets, test the fit to ensure the piccaglia fastener holds properly.

Q: Can I order more than one badge?

A: Yes, multiple badges can be purchased. Because availability is limited, ordering sooner reduces the risk of stock running out.

Q: Is this suitable for collectors?

A: Yes. The detailed design and metal construction make it appropriate for collectors of military surplus and historical insignia.

Tip: Choose the correct placement on your beret and verify the fastener before wearing; consider browsing related beret badges and military surplus accessories to complete your uniform or collection.
