Product features:

Product short description:

Cordura Nylon belt holster with Sicura T2: a rugged, practical holster for users who need secure carry and quick, reliable access.

- **Material:** Durable Cordura Nylon construction provides long-lasting wear and abrasion resistance.
- **Safety:** Sicura T2 retention system keeps the firearm firmly in place, helping to reduce the risk of accidental drops.
- **Fit:** Designed to sit comfortably on a belt for everyday carry or outdoor use; low-profile design for unobtrusive wear.
- **Use:** Suitable for daily carry and outdoor activities where secure retention and fast access are required.

Product attributes:

Fondine: Mano Destra, Mano Sinistra
