How to use / When it’s useful

Attach the patch by aligning the Velcro backing with the matching loop panel on the operational suit; it holds during routine operations and can be removed when needed. This patch is suited to naval service uniforms and tactical clothing used by Polizia Penitenziaria personnel.

Quick answer: use the rear Velcro to fix the patch to the designated area of the suit. In most cases, orders must include proof of service or, for delivery, the institute of service as the shipping address.

Simple care keeps the patch legible and in good condition.

- Wipe clean with a damp cloth; avoid harsh solvents or abrasive cleaners.
- Avoid prolonged exposure to high heat which can deform rubber components.
- Sale is restricted: item reserved for Polizia Penitenziaria personnel and authorised collectors.
