Product overview

The Braccialetto Paracord Double Cobra OD-Black is a wearable paracord bracelet for outdoor enthusiasts, tactical users, and anyone who values practical everyday carry. It combines a stylish

double cobra weave with durable parachute nylon to provide both a fashion accessory and emergency cordage.

Definition: A paracord bracelet woven in a double cobra pattern using Paracord 550, designed as wearable gear that can be unraveled to provide strong cord for field or emergency uses.

Main features

Compact, rugged design with practical construction and customization options for a secure fit.

- **Material:** Made from parachute-grade nylon (Paracord 550) for reliable strength and durability.
- **Inner strands:** Contains 5–7 high-strength white nylon inner strands inside the sheath for emergency use.
- **Double Cobra weave:** The double cobra pattern provides more cord length than standard braids while keeping a clean, tactical look.
- **Color:** Olive Drab and Black (OD-Black) for a versatile, low-profile appearance suitable for tactical, military surplus, or casual wear.
- **Custom fit:** We personalize the bracelet length to your wrist measurement in centimeters for comfortable daily wear.
- **Weather resistance:** Parachute nylon resists water and common outdoor conditions.

How to use / When it’s useful

Quick answer: Wear it daily as a tactical or fashion accessory, or untie it to access meters of cord in emergencies. The bracelet is practical for camping, hiking, field repairs, and general outdoor tasks.

In most cases, you can untie one end and unweave the double cobra braid to deploy the inner strands and sheath as needed. It is also suitable as a low-profile accessory for police, duty, or military surplus styling.

Care and notes

Basic care keeps the cord in good condition and preserves color and strength.

- Clean with mild soap and water; air dry thoroughly before storage.
- Avoid prolonged UV exposure to reduce fading over time.
- Provide your wrist measurement in centimeters for a custom fit when ordering.
- Stock is limited for this model; check availability before finalizing your purchase.

FAQ

Q: What length is the bracelet?

A: Length is customized to your wrist measurement. Provide the wrist circumference in centimeters and we will adjust the bracelet for a proper fit.

Q: What material is used?

A: The bracelet is made from parachute-grade nylon Paracord 550 with 5–7 inner nylon strands inside the outer sheath for added strength and utility.

Q: Is the bracelet water-resistant?

A: Yes. Parachute nylon resists water and normal outdoor weather, making it suitable for hiking, camping, and everyday use.

Q: How do I deploy the cord in an emergency?

A: Pull one end of the braid to start unweaving the double cobra pattern; once unbraided you can use the outer sheath and inner strands as cordage.

Q: Can I wear this bracelet every day?

A: Yes. The design is durable and suitable for daily wear, offering both a tactical look and practical utility for outdoor or urban use.

Q: Which colors are available?

A: This model is available in Olive Drab and Black (OD-Black), chosen for versatile, low-visibility styling common in tactical and military surplus gear.

Tip: Choose the correct wrist measurement in centimeters for a comfortable fit and consider browsing related tactical and military surplus accessories to complete your kit.
