- **Authenticity:** Faithful styling that reflects the rank and heritage of Alpine troops.
- **Ideal for:** Collectors, reenactors, and service members honoring tradition.

Product description:

Product overview

The Grado Primo Maresciallo for the cappello alpino is an official rank insignia designed for Alpini

personnel and collectors who need an authentic, durable badge for uniform use. It is intended for those serving in the Italian Armed Forces, re-enactors, or military surplus outlets that supply duty and ceremonial items.

Definition: this is a 16 mm gold braid rank badge mounted on a red cloth backing, sized for correct placement on the left side of the alpine hat. It combines traditional Alpini styling with materials made to withstand outdoor use.

Main features

Carefully made to match the visual and functional needs of the cappello alpino, the badge offers clear rank identification while remaining robust in the field or on display.

- **Gold braid width:** 16 mm with a black streaked center
- **Backing:** high-quality red cloth for stability and traditional appearance
- **Dimensions:** Length 12 cm × Height 12.5 cm, sized for the left side of the hat
- **Durability:** materials selected to resist wear and weather exposure
- Suitable for military, tactical, duty use and for military surplus collectors

How to use / When it’s useful

Apply the Grado Primo Maresciallo on the left side of the cappello alpino following official uniform placement rules; the size and shape are balanced for visibility without interfering with other hat elements. Quick answer: place the badge on the left side of the hat, centered vertically where other insignia allow.

Use it for everyday duty uniforms, ceremonial occasions, or when preparing an Alpini uniform for display or sale. In most cases, the badge is applied by sewing or secure attachment methods used for hat insignia to ensure it stays in place during outdoor operations.

Care and notes

Maintain the badge by avoiding prolonged exposure to chemicals or abrasive cleaning; regular inspection keeps the braid and cloth in good condition.

- Spot clean with a damp cloth; avoid harsh detergents
- Store flat or pinned to a protective backing to prevent creasing
- Check attachment regularly if used in active duty or outdoor environments
- Do not assume compatibility with non-Alpini hat styles without checking measurements

FAQ

Q: What are the exact dimensions of the Grado Primo Maresciallo for the cappello alpino?

A: The badge measures 12 cm in length and 12.5 cm in height. These dimensions are designed to fit the left side of the alpine hat while keeping a balanced appearance.

Q: Where should I place the badge on the cappello alpino?

A: Place the badge on the left side of the hat according to uniform regulations. Position it so it is visible and does not overlap other insignia or decorative elements.

Q: What materials make up this rank badge?

A: The badge consists of a 16 mm gold braid with a black-streaked center mounted on a red cloth backing. Materials are selected for durability and a traditional look.

Q: What is the rank position of Primo Maresciallo?

A: Primo Maresciallo is above Maresciallo Capo and subordinate to Luogotenente. It denotes a senior non-commissioned role with leadership and coordination responsibilities.

Q: Is the badge resistant to wear and weather?

A: Yes, it is produced with materials intended to maintain appearance and integrity under typical outdoor conditions such as rain and snow. Regular care will extend its life.

Q: Can I buy this badge for uniform use and display?

A: Yes. It is suitable for uniform fitting, ceremonial use, or as an item for military surplus sales. Choose the correct size and mounting method for your hat before purchase.

Tip: When ordering, confirm the 12 × 12.5 cm size and the 16 mm braid width match your cappello alpino variant; consider browsing related rank insignia and accessory items to complete your uniform without guesswork.
