Product overview

The **Fregio Plastica Nera Fanteria Alpina Truppa** is a black plastic insignia designed for

members of the fanteria alpina ruolo truppa and for collectors, re-enactors, and tactical or military surplus enthusiasts. It is intended to be worn on the traditional cappello alpino to show unit affiliation and heritage.

Definition: this is a molded black plastic cap badge featuring an eagle clutching a regimental disc, placed above a trumpet and crossed rifles. The badge is sized for clear visibility and everyday wear on the alpino hat.

Main features

Durable, historically styled badge made for practical use on alpine headgear.

- **Authentic design** – eagle in lowered flight gripping a regiment-number disc, over a trumpet and two crossed rifles.
- **Material** – molded black plastic built for durability and regular use.
- **Size** – 8.5 cm length × 7 cm height, suitable for standard cappello alpino placement.
- **Weather resistant** – resists everyday wear and outdoor conditions when mounted correctly.
- **Easy to affix** – designed for straightforward mounting with appropriate fasteners.
- **For multiple uses** – suitable for duty uniforms, ceremonial wear, and military surplus collectors.

How to use / When it’s useful

Quick answer: clean and dry the hat surface, position the badge, secure with the proper fixings, and check stability. The badge is mainly useful for Alpini personnel on duty, ceremonial occasions, or for collectors and tactical gear enthusiasts who want an authentic insignia.

In most cases, the badge mounts to the front of the cappello alpino and stays secure during normal daily activities if fixed correctly. Use appropriate methods for your hat material (stitching, rivets, or clips) and verify the fit before extended wear.

Care and notes

Basic care keeps the badge looking its best and prevents loss. Follow these practical tips.

- Wipe clean with a damp cloth; avoid strong solvents or abrasive cleaners.
- Ensure the hat surface is dry and clean before mounting to improve adhesion or fastener grip.
- Check fastenings regularly to prevent loosening during activity.
- Avoid prolonged exposure to extreme heat which can deform plastic.

FAQ

Q: What are the exact dimensions of the badge?

A: The badge measures 8.5 cm in length and 7 cm in height, sized for clear visibility on the cappello alpino.

Q: What material is the fregio made from?

A: It is made from durable black plastic designed to resist everyday wear and outdoor conditions when mounted properly.

Q: How do I attach it to the cappello alpino?

A: Prepare a clean, dry surface, position the badge, use the appropriate fasteners for your hat (stitching, rivets, or clips), and confirm the badge is stable before use.

Q: Is the badge suitable for outdoor use and bad weather?

A: Yes, the plastic construction is weather-resistant for normal outdoor use, but check fixings regularly and avoid extreme heat or chemical exposure.

Q: Is this item authentic for members of the Corpo degli Alpini?

A: The design follows the traditional insignia used by the fanteria alpina ruolo truppa and is intended for proper placement on the cappello alpino.
