### Product overview

The Fregio Plastica Nera Norvegese Fanteria Alpina Truppa is a black plastic regimental badge made for members of the Fanteria Alpina who wear the norvegese alpina uniform. It is intended

for the truppa role and for collectors of military surplus, tactical gear, and duty equipment.

Definition: a durable black plastic cap badge bearing the Fanteria Alpina emblem, designed to be fitted to the norvegese alpina headgear. Suitable for tactical, military surplus, and duty use where the Fanteria Alpina badge is required.

**Main features**

Simple, practical construction with a detailed emblem and compact size for visible identification without bulk.

- **Material:** High-quality black plastic for light weight and durability.
- **Design:** Eagle in a low flight clutching a disk with the regimental number, set over a bugle and two crossed rifles.
- **Dimensions:** 6 cm length x 4.5 cm height.
- **Fit:** Sized for the norvegese alpina and intended for the Fanteria Alpina truppa role.
- **Easy to apply:** Lightweight construction allows quick and secure fitting to appropriate uniform headgear.
- **Durability:** Made to withstand regular field use and handling.

**How to use / When it’s useful**

Quick answer: Use this badge on the norvegese alpina where unit insignia are normally placed; it identifies the wearer as part of the Fanteria Alpina truppa. In most cases, it is fitted to the front area of the headgear or uniform panel intended for cap badges.

The badge is useful during duty, ceremonial events, training, or for collectors restoring period or service uniforms. Its lightweight, tactical-friendly construction keeps the headgear balanced while showing unit affiliation.

**Care and notes**

Keep the badge in good condition with simple care and be aware of its intended role and limited availability.

- Clean with a soft, damp cloth; avoid strong solvents or abrasive cleaners.
- Store dry and away from prolonged sunlight to prevent fading or warping.
- Intended for the Fanteria Alpina truppa role on the norvegese alpina headgear.
- Limited stock: demand is often high—check availability before planning multiple purchases.

## FAQ

**Q:** What are the badge dimensions?

**A:** The badge measures 6 cm in length and 4.5 cm in height. These dimensions make it visible without adding bulk to the norvegese alpina.

**Q:** What material is the badge made from?

**A:** It is made from high-quality black plastic designed for light weight and resistance to everyday wear.

**Q:** How is the badge applied to the norvegese alpina?

**A:** The badge is designed for quick and secure fitting to the norvegese alpina where unit insignia are normally placed. Specific attachment method depends on the headgear design.

**Q:** Is this badge suitable for all Fanteria Alpina ranks?

**A:** This specific badge is adopted for the truppa role of the Fanteria Alpina. Other ranks may use different insignia.

**Q:** Are other colors or finishes available?

**A:** No. This item is produced exclusively in black plastic as specified for the truppa badge.

**Q:** Is the badge durable for field use?

**A:** Yes. The plastic construction is intended to withstand regular handling and field conditions, though normal care is recommended.

**Tip:** Choose the correct badge for the norvegese alpina and for the Fanteria Alpina truppa role. Check related tactical and military surplus items to complete your uniform or collection.
