- **Design:** White-enameled cross at the center, symbolizing the Grande Ufficiale rank.
- **Size:** Diameter 1.1 cm — discreet yet visible on civilian attire.

How to use / When it’s useful

Quick answer: pin or clip the rosette to the left lapel of civilian dress where honor badges are normally worn. The clip attachment makes it simple to fit on jackets, uniforms, or display boards.

In most cases, the rosette is used for formal occasions, commemorations, or as part of a collection of military surplus and ceremonial insignia. It is intended as a badge of recognition and should be treated as a dress insignia rather than everyday gear.

Care and notes

Keep the rosette clean and handle the silk and metal parts with care to preserve appearance and finish.

- Store flat and dry to avoid silk creases and moisture damage.
- Handle the metal plate gently to prevent scratching of the silvered, diamond-cut finish.
- Use the clip attachment as intended; ensure it is secure before wearing.
- Limited availability: supplies may be limited due to demand.
