Product short description:

Metal badge of the Divisione Centauro, designed for collectors and military history enthusiasts. A carefully crafted emblem that reflects the unit's heritage and is suitable for wearing or display.

- **Material:** Metal construction using high-quality materials for durability and lasting appearance.
- **Design:** Detailed design faithful to the Divisione Centauro emblem, with clear relief and accurate features.
- **Use:** Wear on jackets, caps or bags, or present it in a display case as part of a collection.
- **Finish:** Polished, glossy finish that highlights details and gives a distinguished look.
- **Ideal for:** Collectors and history enthusiasts, or as a thoughtful gift for those who value craftsmanship and historical significance.

Product description:

Product overview

The **Distintivo Metallo Divisione Centauro** is a metal enamel badge designed for collectors and

enthusiasts of military history, tactical gear, and military surplus items. It is suitable for display, uniforms, caps, or as a collectible piece.

Definition: a 25 x 25 mm enamel metal badge featuring a gold-tone, diagonally divided red and blue field with a centaur archer motif. Ideal for military surplus collectors, tactical and duty gear enthusiasts, and police memorabilia collectors.

Main features

Well-made and compact, this badge combines a historic-style design with practical attachment for everyday use or collection display.

- **Distinctive design:** Gold-tone badge split diagonally into red and blue fields with a centaur (sagittarius) drawing a bow at the center.
- **Material:** Enamel-coated metal for a polished, durable finish.
- **Rear clamp attachment:** Simple clamp on the back for easy fitting and removal.
- **Size:** 25 x 25 mm — compact and noticeable without being obtrusive.
- **Collector appeal:** Produced in limited quantity, making it attractive to collectors of military surplus and tactical memorabilia.

How to use / When it’s useful

Attach the badge to fabric or display boards using the rear clamp; it suits uniforms, jackets, caps, display cases, or collection frames. The clamp allows quick installation and removal without sewing.

Quick answer: Use it as a wearable insignia on duty-style clothing or as a display piece in a collection. In most cases, collectors place it on a backing card, in a display case, or clipped to garment lapels or caps for presentation.

Care and notes

Keep the badge in good condition by avoiding harsh impacts and prolonged exposure to moisture or abrasive chemicals.

- Avoid rough handling to prevent enamel chipping.
- Wipe gently with a soft, dry cloth; do not use abrasive cleaners.
- Secure the clamp properly to prevent loss during wear.
- Availability is limited; if you plan to add it to a collection, consider ordering while stock lasts.

FAQ

Q: What are the badge dimensions?

A: The badge measures 25 x 25 mm. It is compact enough for lapels, caps, and display mounts.

Q: What material is the badge made of?

A: It is made of enamel-coated metal, giving a durable finish and clear color contrast between the red and blue fields.

Q: How does the attachment work?

A: The badge uses a rear clamp attachment that clips onto fabric or a display backing for easy fitting and removal without sewing.

Q: Is the badge available in other colors?

A: No. The badge is produced in the red and blue diagonal design as shown in the original style.

Q: Can I buy more than one badge?

A: Yes, multiple badges can be purchased, but stock is limited. Check current availability when ordering.

Q: Is this an official military-issued item?

A: The listing describes the badge as an enamel metal item with a centaur motif. The description does not claim official issuance by any military unit or corps.

Tip: Choose the quantity you need and consider related tactical or military surplus items for display or uniform use; check similar badges and collector items to complete your set.
