Product overview

The Grado Cappello Alpino Tenente Colonnello is a rank badge for Alpini officers, designed for

use on the traditional Italian alpine hat (cappello alpino). It is intended for serving officers, veterans, collectors, and anyone completing a ceremonial or duty uniform.

Definition: a sewn rank insignia on grey-green cloth featuring gold metal braid and decorative elements for the Tenente Colonnello rank.

Main features

High-quality materials and a classic design make this badge suitable for uniforms, military surplus collections, and tactical displays.

- **Material:** Sewn on grey-green cloth (panno grigio verde) with gold metal braid.
- **Design:** Double gold metal braid with a polished central band and two smaller gold braids separated by a grey, acute-angle background pointing upward.
- **Placement:** Intended for the left side of the cappello alpino, paired with the gold metal nappina and the white feather (penna bianca).
- **Compatibility:** Designed to fit standard cappello alpino sizes and styles.
- **Use cases:** Suitable for ceremonial wear, military surplus displays, tactical collections, and duty uniform completion.
- **Availability:** Limited stock; demand is high because of its historical and uniform significance.

How to use / When it’s useful

Quick answer: attach the badge to the left side of the alpini hat alongside the gold nappina and white feather. In most cases, it is used for ceremonial uniforms, formal events, and uniform restoration or collection purposes.

Apply the badge carefully so the acute-angle motif points upward and the central polished band is centered. This badge is especially useful for Alpini officers, collectors of military surplus, and those assembling duty or police presentation uniforms.

Care and notes

Simple care keeps the badge presentable and durable for display or regular use.

- Clean metal parts with a soft, dry cloth to remove fingerprints and dust.
- Avoid prolonged exposure to moisture to protect the cloth and metal braid.
- Handle gently to prevent bending or scratching of the metal elements.
- Limited availability: orders are fulfilled while stock lasts; typical shipping time is 5–7 business days.
