Product overview

Silver-colored metal rank stars (stelloni) with a screw-back attachment, designed for Italian military personnel including senior officers, junior officers and marescialli. They are intended to be

worn on coats and raincoats as an alternative to stitched rank insignia.

Definition: A 27 mm silver metal rank star with a precision knurled surface and a rear screw fitting for secure mounting. Ideal for duty uniforms, military surplus collectors and tactical insignia needs.

Main features

Compact, durable and made for formal uniform use, these stelloni combine clean styling with practical fastening for active service.

- **Diameter:** 27 mm, standard size for a balanced appearance on outer garments.
- **Finish:** Silver-colored metal with a precision knurled surface for refined detail.
- **Attachment:** Rear screw-back fitting for strong hold and quick removal.
- **Wear location:** Intended for coats and raincoats only, as a visible rank device.
- **Intended users:** Senior officers, junior officers and marescialli.
- **Use cases:** Suitable for duty uniform, military surplus collections and formal occasions.

How to use / When it’s useful

Fasten the stellone through the garment with the screw-back plate so it sits flat and secure on the coat or raincoat. Quick answer: they replace sewn rank tabs on outerwear and are fitted where a visible metal insignia is required.

In most cases, these are used on formal outer garments during official duties or daily service. If you are a collector, follow the legal purchase requirements before use or display.

Care and notes

Simple care keeps the metal finish clean and presentable while respecting legal restrictions on sale and delivery.

- Wipe with a soft, dry or slightly damp cloth; avoid abrasive cleaners or strong chemicals.
- Store dry and separate from sharp objects to prevent scratches.
- Sale restricted to active military personnel or authorised collectors; documentation is required.
- Preferred delivery is to the barracks address for serving personnel; private delivery may require additional ID.

FAQ

Q: Who can buy these stelloni?

A: Sales are limited to active military personnel after verification, or to collectors who hold the

required prefectoral license under art. 28 of the TULPS.

Q: What documents are required to purchase?

A: For serving personnel: a copy of the military ID card, CMD or an official service statement. Collectors must provide the prefectoral license when required by law.

Q: How do I send my documents for verification?

A: Submit the requested documents through the store’s contact form during registration or follow the site’s document submission instructions for identity and service proof.

Q: Where will my order be delivered?

A: Delivery is usually made to the barracks address indicated. Home delivery may be possible if you provide the necessary military ID or service documentation.

Q: How long does document verification take?

A: Verification typically takes a few working hours after documents are received. You will receive an email notification when your account is authorised to buy.

Q: Can I buy without providing documents?

A: No. To comply with regulations, you must complete the document verification process before purchase is allowed.
