Product short description:

Classic Testa di Moro leather gloves lined with wool. Soft, durable leather and a warm wool lining make these gloves suitable for anyone seeking a refined, practical option for cold-weather wear, from daily use to evening outings.

- **Material:** High-quality Testa di Moro leather, soft yet resistant.
- **Lining:** Wool lining for warmth and comfort on cold days.
- **Use:** Suitable for work, commuting and evening outings.
- **Style:** Classic, refined design that pairs well with formal and casual winter wear.
- **Color:** Testa di Moro (dark brown).

Product description:

Product overview

The Guanti in Pelle Testa di Moro Foderati in Lana are full-grain leather winter gloves designed for military personnel and anyone needing durable, warm handwear for cold conditions. Worn by members of Esercito, Carabinieri, Marina and Aeronautica Militare, these gloves combine a

classic uniform look with practical protection.

Definition: a wool-lined, full-grain leather glove in chestnut brown (testa di moro) made for cold-weather duty and everyday use. Ideal for tactical, military surplus, duty and police applications where warmth and durability matter.

Main features

Built for comfort and durability, these gloves suit uniformed use and civilian cold-weather wear.

- **Material:** full-grain leather for long-lasting resistance and a refined appearance.
- **Lining:** integrated wool lining that provides thermal insulation.
- **Fit:** tailored, lined design that preserves dexterity for routine tasks.
- **Color and use:** testa di moro (brown) variant commonly used across services; note that Bersaglieri traditionally use black leather gloves.
- **Sizes:** available in S to XL to match standard uniform sizing.
- **Use cases:** suitable for winter uniform wear, duty shifts, outdoor tasks and civilian daily use.

How to use / When it’s useful

Wear these gloves as part of the winter uniform during outdoor duty, parades, or routine patrols to keep hands warm while maintaining grip and precision. They are also a practical choice for civilian winter use when you need a durable, smart-looking glove.

Quick answer: These gloves are best for cold-weather duty and everyday winter wear. In most cases, they fit true to size — consult the size guide to confirm the best fit for you.

Care and notes

To keep the leather and wool in good condition, follow simple care steps and avoid actions that can damage the materials.

- Clean with a damp cloth and mild soap if needed; do not machine wash.
- Avoid prolonged exposure to direct heat sources (radiators, open flame) which can dry and crack the leather.
- Occasional leather conditioner helps maintain suppleness; test on a small area first.
- The wool lining is integrated and not removable.

FAQ

Q: What sizes are available for these gloves?

A: Sizes range from S to XL. Use the size guide to match your hands for the best fit and comfort.

Q: How should I clean and maintain the gloves?

A: Wipe with a damp cloth and mild soap if necessary. Do not machine wash or tumble dry. Condition the leather occasionally to preserve flexibility.

Q: Are these gloves suitable for non-military or civilian use?

A: Yes. Their design and materials make them suitable for everyday winter wear as well as uniform duty and tactical-style needs.

Q: Is the wool lining removable?

A: No, the wool lining is integrated into the glove to ensure consistent insulation and fit.

Q: How long does delivery take after ordering online?

A: Delivery typically takes 3–5 working days, depending on the shipping destination and local conditions.

Q: Are these gloves genuine full-grain leather?

A: Yes, they are made from full-grain leather, chosen for its durability and refined appearance suitable for uniformed and civilian use.

Tip: Choose the correct size using the size guide and consider related duty and winter items to complete your uniform or cold-weather kit. Browse matching accessories and select the variant that fits your service or personal style.
