Main features

Key features at a glance — durable, compact, and officially styled for submarine personnel.

- **Exclusive design:** Dolphin between laurel and oak branches, surmounted by a corona turrita and the raised word **SOMMERGIBILI**.
- **High-quality material:** Golden metal finish built for lasting appearance.
- **Compact size:** 3 cm, suitable for uniform wear or civilian use without being bulky.
- **Official recognition:** Intended as a service badge for personnel of the **Marina** with five years' service.
- **Secure attachment:** Supplied with a practical fastening system for fabric use.
- **Weather resistant:** Metal construction resists water and normal atmospheric exposure.

How to use / When it's useful

Use the badge as a formal service emblem on the uniform breast or on civilian jackets for commemorative display. Quick answer: attach it with the supplied fastening and position it according to your unit's uniform rules or personal display preference.

It is useful for ceremonies, service anniversaries, and collectors of duty and tactical items. In most cases, the badge is worn on the outer garment where other service insignia are placed; confirm placement with your unit if required.

Care and notes

Simple care preserves the finish and fastening; handle gently and inspect the fastening before use.

- Wipe with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that could damage the finish.
- Check the fastening regularly to ensure it remains secure on fabric.
- Although weather resistant, avoid prolonged exposure to harsh conditions to maintain appearance.
