Product short description:

The "Cintura Special Forces" is a sturdy, versatile belt made for people who enjoy adventure and action and for anyone who needs reliable everyday carry. Made from high-quality materials, it provides durable performance with an ergonomic fit suited to active use.

- **Material:** Constructed from high-quality materials and solid hardware for long-lasting wear.
- **Durability:** Built to resist everyday wear and withstand outdoor conditions.
- **Buckle:** Metal buckle delivers a secure, reliable closure.
- **Use:** Ideal for hiking, outdoor activities, field use, or to add a military-style touch to casual outfits.
- **Fit:** Ergonomic design ensures comfort, easy adjustment and adaptable fit.

Product description:

Product overview

The **Cintura Special Forces DE OPPRESSO LIBER** is a durable khaki belt designed for tactical, military surplus, duty, and everyday use. It suits users who need a sturdy, adjustable belt for

fieldwork, uniform use, or casual wear.

Definition: A 120 cm high-strength cotton-fiber belt with a scratch-resistant metal buckle and adjustable clamp, made for reliable wear in demanding conditions.

Main features

Practical features that balance durability and style for tactical or everyday carry needs.

- **Material:** High-strength cotton fiber for long-lasting wear.
- **Length:** 120 cm (adjustable).
- **Height/Width:** 4 cm belt height for standard duty and pant loops.
- **Buckle:** Metal scratch-resistant buckle with the Special Forces logo.
- **Adjustment clamp:** Length clamp allows a secure, custom fit.
- **Color and styling:** Khaki finish with the "DE OPPRESSO LIBER" emblem for a distinctive look.

How to use / When it’s useful

Quick answer: Wear it like any standard belt—thread through belt loops and secure the clamp for a firm hold. Ideal for tactical pants, uniforms, or work trousers.

In most cases, the belt performs well as a duty or everyday belt for police, security, outdoor, and military surplus applications. Its sturdy build suits active use where a reliable, adjustable belt is needed.

Care and notes

Simple care keeps the belt functional and looking good over time.

- Spot clean with mild soap and water; avoid strong solvents.
- Air dry; do not expose to prolonged heat or direct sunlight.
- Check the adjustment clamp periodically to ensure a secure fit.

FAQ

Q: What is the belt length?

A: The belt measures 120 cm and includes an adjustable clamp to fine-tune the fit.

Q: What material is the belt made from?

A: It is made from high-strength cotton fiber designed for durability in everyday and tactical use.

Q: Is the buckle scratch-resistant?

A: Yes, the metal buckle is described as scratch-resistant and carries the Special Forces logo.

Q: Can I adjust the belt length?

A: Yes, the belt features a length adjustment clamp that lets you set a secure, custom fit.

Q: What does "DE OPPRESSO LIBER" mean?

A: The motto "DE OPPRESSO LIBER" is translated as "man free from oppression" and appears on the logo plate.

Q: Is this belt suitable for duty or police use?

A: The belt is suitable for duty-style wear and tactical use; check your department or employer requirements for specific uniform standards.

Tip: Choose the correct length and check the clamp fit before first use; consider browsing related tactical and military surplus belts to match your duty or casual needs.
