### Product overview

The Fondina Uso Interno Pelle Scamosciata IR3 is an inside-the-waistband (IWB) suede leather holster designed for users who need comfortable, discreet carry—suitable for civilian concealed

carry, tactical, duty, or police use. Definition: an IWB suede leather holster (IR3) that combines soft-touch material with a secure internal mounting clip.

This holster offers a balance of comfort and retention for daily carry. Limited stock is available due to high demand, so please select the correct hand and model options when ordering.

**Main features**

Well suited for concealed carry and duty use, the IR3 focuses on durability, concealment, and adjustability.

- **Material:** Premium suede leather for a soft feel and long-lasting wear.
- **Internal carry:** Inside-the-waistband design with a polymer clip for secure attachment and low visibility under clothing.
- **Adjustable cant:** Three-position inclination using dedicated mounting holes for personalized draw angle.
- **Hand options:** Available for right- or left-handed carry—select using the drop-down menu.
- **Compatibility:** Fits Small Auto-L/Auto pistols and Revolvers with 2" or 2.5" barrels (indicate the exact model in the order box).
- **Dimensions:** 19 cm height x 11 cm width—compact design for everyday carry.

**How to use / When it’s useful**

Wear the holster inside the waistband with the polymer clip secured to your belt or waistband for concealment and comfort. Adjust the cant to one of the three positions to match your preferred draw angle and body carry style.

Quick answer: Yes—the holster is adjustable and available for both left- and right-handed users. In most cases, it works well for concealed carry with compact autos and short-barrel revolvers; always confirm the specific pistol model when ordering.

**Care and notes**

Basic care will keep the suede looking and performing well; avoid soaking or harsh chemicals. Check fit and clip security regularly.

- Keep suede dry and brush gently to remove dirt.
- Do not use aggressive cleaners or soak the leather.
- Confirm pistol model and hand orientation in the order box before checkout.
- Ensure the polymer clip is correctly seated for a secure carry.

## FAQ

**Q:** Is this holster available for left-handed users?

**A:** Yes. Choose the left- or right-hand option from the drop-down menu when adding the item to your cart. Double-check before confirming your order.

**Q:** Which pistol models fit this holster?

**A:** The holster is compatible with Small Auto-L/Auto pistols and Revolvers with 2" or 2.5" barrels. Please write the exact model in the order box so we can confirm fit.

**Q:** Can I adjust the draw angle?

**A:** Yes. The IR3 allows three cant positions via dedicated holes so you can set a forward, neutral, or rearward angle to suit your grip and carry position.

**Q:** What are the holster dimensions?

**A:** The holster measures 19 cm in height and 11 cm in width, a compact size intended for concealed carry of the stated pistol types.

**Q:** Is the polymer clip strong enough for daily use?

**A:** The polymer clip is designed to offer secure attachment for inside-the-waistband carry. Inspect it periodically to ensure proper seating and retention.

**Q:** How should I clean and maintain the suede?

**A:** Gently brush away surface dirt and avoid water immersion or harsh chemicals. For persistent stains, use a leather/suede cleaner recommended for suede finishes.

**Tip:** Select the correct hand orientation and enter your pistol model in the order box before checkout. Browse related tactical, duty, and concealed carry items to find belts and accessories that pair well with this holster.
