- **Design:** Elegant, distinctive styling that reflects professionalism and technological expertise.
- **Recognition:** A sign of membership and prestige within the Polizia Penitenziaria IT community.

Product description:

Product overview

The Scudetto Specialista Informatico Polizia Penitenziaria is a rubber patch with Velcro backing

designed for IT specialists within the Polizia Penitenziaria. It identifies duty IT personnel and is intended for use on operational uniforms and tactical clothing.

Definition: a rubber Velcro patch that visually identifies Specialista Informatico personnel of the Polizia Penitenziaria. Suitable for police, tactical, and military surplus use in duty environments.

Main features

Clear, durable design and secure attachment for on-duty identification.

- Material: high-quality rubber for durability and weather resistance.
- Attachment: rear Velcro for quick, secure fitting to the tuta operativa or similar garments.
- Size: 8.5 cm height × 6.5 cm width — visible but not bulky.
- Design: central computer components (monitor, keyboard, system unit) on a white background.
- Insignia: "RI" monogram of the Repubblica Italiana beneath the computer symbols.
- Border text: dark blue rim with "POLIZIA PENITENZIARIA" at top and "SPECIALISTA INFORMATICO" at bottom.
- Sales restrictions: reserved to Polizia Penitenziaria personnel; collectors require a prefettizia license (art. 28 TULPS).

How to use / When it’s useful

Quick answer: attach the scudetto to your uniform’s Velcro panel for clear identification of IT staff during operations, shifts, and training. It is meant for operational duty use and official representation.

In most cases, the patch is used on the front chest or sleeve area of the tuta operativa where Velcro is available. For collectors, separate purchase rules apply and proof of authorization must be provided before sale.

Care and notes

Basic care keeps the scudetto readable and firmly attached during regular use.

- Clean with a damp cloth; avoid harsh chemicals that could affect rubber color.
- Ensure Velcro panels are free of lint for a secure fit.
- Sale is restricted: buyers must provide a copy of their Polizia Penitenziaria ID or indicate the institute of service for delivery.
- Collectors must submit a prefettizia license in accordance with art. 28 TULPS for purchase approval.

FAQ

Q: Who can purchase the Scudetto Specialista Informatico Polizia Penitenziaria?

A: Only Polizia Penitenziaria personnel can buy this scudetto. Purchase requires verification of the service ID or a delivery address at the institute of service.

Q: What are the scudetto dimensions?

A: The patch measures 8.5 cm in height and 6.5 cm in width, making it clearly visible while remaining unobtrusive on uniform gear.

Q: What material is the scudetto made of?

A: It is made of high-quality rubber designed for durability and resistance to normal field use. The backing is Velcro for secure attachment.

Q: How is the scudetto attached to clothing?

A: The scudetto has a Velcro rear panel for fast attachment to any garment with a matching Velcro surface, such as a tuta operativa or tactical uniform.

Q: Can collectors purchase this scudetto?

A: Collectors may purchase only after sending a prefettizia license per art. 28 TULPS. This verification step is required to complete the sale.

Q: What proof is needed to complete an order?

A: Active Polizia Penitenziaria staff must provide a copy of their service ID or specify their institute as the delivery location. Collectors must supply the required prefettizia license for approval.

Tip: Choose the correct patch for your uniform’s Velcro panels and check required documentation before ordering; browse related police and tactical patches to complete duty or collection sets.
