Product features:

Product short description:

The "Fregio Metallo Basco Fanteria" is a metal beret badge crafted for collectors and military history enthusiasts. Its refined, detailed design honors infantry tradition and is suitable both for wearing on a beret and for display in a collection.

- **Material:** High-quality metal construction for a durable, attractive finish.
- **Use:** Intended for collectors, re-enactors and history enthusiasts; wearable on a beret or suitable for display.
- **Design:** Finely detailed infantry emblem that conveys tradition, respect and a sense of belonging.
- **Presentation:** Distinctive addition to a military surplus or uniform collection, adding authenticity and historical character.
