### Product overview

The **Pendaglio Agenti Assistenti Sovrintendenti Polizia di Stato** is a dress pendaglio designed for officers of the Polizia di Stato, suitable for agents, assistants and superintendents who need a professional, uniform accessory for duty and formal occasions. Definition: a pendaglio is a decorative and functional badge lanyard worn on the belt or inside a coat.

Made from a gold-coloured metal ribbon with crimson thread and black edges, this pendaglio combines a refined look with durable construction for duty, police or tactical dress use. Limited stock is available and items are restocked on a predictable schedule for reliable ordering.

**Main features**

Key construction and design details that matter for uniform appearance and daily use.

- **High-quality metal ribbon:** gold-coloured with a 1 mm crimson central thread and 1 mm black edges.
- **Length:** approximately 140 cm, finished to points at both ends.
- **Sliding loop:** made from the same ribbon for easy adjustment and secure fit.
- **Double buckle:** two gold ovals welded together for a neat connection.
- **Rotating snap hook:** 40 mm gold-coloured moschettone that swivels on a link to allow ribbon passage.
- **Gold chain detail:** five decreasing trapezoid links joined by tube joints, with a fixed-blade snap and a flat hook on the last link.

**How to use / When it’s useful**

Attach the pendaglio to your trouser belt using the snap hook and chain. When wearing an overcoat, secure the pendaglio to the internal ring of the coat so it stays tidy and correctly positioned.

Quick answer: use it on the belt for everyday duty or on the inner coat ring for formal uniform wear. In most cases, it fits standard uniform belts and coat rings used by the Polizia di Stato and is suitable for police, duty and tactical dress applications.

**Care and notes**

Basic care preserves appearance and function; inspect fittings regularly to ensure a secure attachment.

- Wipe clean with a soft, dry cloth to remove dust and fingerprints.
- Avoid harsh chemicals or abrasive cleaners that could affect the finish.
- Check the snap hook and welded joints periodically for wear or looseness.
- Store dry and flat to prevent bending of the ribbon or chain links.
