### Product overview

This is a Velcro rank patch for the Sottotenente rank of the Guardia di Finanza, designed for use on service uniforms and tactical gear by authorized personnel. It identifies the officer’s rank and is intended for members of the Corps and verified collectors who meet legal requirements.

Definition: a Velcro-backed embroidered rank insignia for displaying the Sottotenente rank on duty uniforms. Useful for tactical, military surplus and duty uniform applications.

**Main features**

Simple, regulation-style design with durable construction and easy attachment for operational use.

- **Dark gray fabric base** with a clearly visible embroidered yellow frame.
- **Gold five-point star** embroidered inside the frame, denoting Sottotenente rank.
- **Velcro rear fastening** for quick application and removal on uniforms and service jackets.
- **Regulation size**: 6 x 6 cm, matching official display dimensions.
- **Durable construction** made to resist normal wear on duty and tactical clothing.

**How to use / When it’s useful**

Apply the patch by aligning the Velcro backing with the corresponding loop surface on the uniform or jacket; press firmly to secure. It is suitable for everyday duty wear and can be used for formal events when uniforms require removable insignia.

Quick answer: the patch attaches and detaches quickly thanks to the Velcro backing. In most cases, it is used on operational uniforms, service jackets, and tactical vests to clearly identify rank.

**Care and notes**

Keep the patch functional and compliant by following verification and handling guidelines.

- **Purchase restrictions:** sale limited to Guardia di Finanza personnel and verified collectors under applicable law.
- **Verification required:** order approval requires identity or service documentation and delivery to the unit’s barracks address.
- **Handle with care:** avoid abrasive contact with the embroidered surface to preserve stitching and color.
- **Account activation:** orders are processed after staff verification of submitted documents.

## FAQ

**Q:** Who can buy the Sottotenente Velcro rank patch?

**A:** Purchase is reserved for members of the Guardia di Finanza and collectors who present the required prefectural license under applicable rules.

**Q:** How do I attach the patch to my uniform?

**A:** The patch has a Velcro rear fastening; align it with the loop panel on your uniform or jacket and press firmly to secure.

**Q:** What documents are needed to complete an order?

**A:** You must provide a copy of your ID card or a service attestation for verification. Orders are approved only after document checks.

**Q:** Can the patch be shipped to my home address?

**A:** Delivery is normally made to the barracks address provided during registration; collectors with the required license should follow the specific purchase rules.

**Q:** Is the patch size and appearance compliant with regulations?

**A:** The patch measures 6 x 6 cm and is made to match the official appearance and dimensions for the Sottotenente rank.

**Q:** Is this patch suitable for tactical and duty use?

**A:** Yes. The durable fabric and Velcro backing make it suitable for tactical gear, duty uniforms, and military surplus applications where removable insignia are required.

**Tip:** Choose the correct variant and confirm eligibility before ordering. Check your documentation and unit delivery address, and browse related rank patches and uniform accessories to complete your duty kit.
