How to use / When it’s useful

Quick answer: use as a wall-mounted or shelf-displayed heraldic plaque to honor the 18° Reggimento Bersaglieri or to enhance a military, tactical, or police-themed space.

In most cases, the crest works well in offices, living rooms, clubhouses, display cabinets, or reception areas where military surplus, duty, or collector items are shown. It is primarily a decorative and commemorative object rather than operational gear.

Care and notes

Basic care and handling to preserve the finish and detail:

- Keep in a dry environment away from direct, prolonged sunlight to prevent fading of enamel and wood.
- Clean gently with a soft, dry or slightly damp cloth; avoid abrasive cleaners or solvents that can damage the enamel.
- Handle with care to avoid knocks or drops that could chip the enamel or dent the brass.
