Product overview

The **Berretto di Navigazione Invernale Marina Militare Italiana** is a winter navigation cap designed for sailors and personnel who operate at sea. It suits military and uniformed use as well as collectors of military surplus, and is also practical for tactical, duty, and police applications where a disciplined, formal appearance is required.

Definition: a dark turquoise-blue winter navigation cap with a front buckle, internal quilted lining and a protective visor, made to offer warmth and basic weather protection during cold sea operations.

Main features

Key design points and materials at a glance:

- **Color & style:** Dark turquoise-blue cloth reflecting naval tradition and matching shipboard uniforms.
- **Visor:** Short visor that reduces glare and improves visibility on deck.
- **Insulated lining:** Quilted internal padding for added warmth on cold days.
- **Front buckle:** Adjustable buckle at the front for a secure, custom fit.
- **Durable construction:** Robust cloth designed to resist wind and general bad weather while remaining breathable.
- **Versatile use:** Suitable for sea missions, daily uniform wear, training and formal naval ceremonies.

How to use / When it’s useful

Quick answer: wear this cap on deck during cold weather to keep your head warm, reduce wind chill and shield your eyes from direct sunlight. It is designed for active use at sea but also fits routine uniform duties and ceremonial occasions.

In most cases, the front buckle is used to fine-tune the fit so the cap stays in place during movement and rough conditions. Its classic naval look also makes it appropriate for military surplus collectors and for duty or tactical scenarios where a formal appearance is required.

Care and notes

Follow the garment’s care label to preserve material and shape; proper care extends the life of the cap.

- Follow the specific washing instructions supplied with the product to avoid shrinkage or damage.
- Avoid harsh detergents and high-heat drying; gentle cleaning preserves the lining and fabric.
- Store dry and away from direct sunlight to prevent fading of the dark turquoise-blue cloth.

FAQ

Q: What sizes are available for the Berretto di Navigazione Invernale Marina Militare Italiana?

A: Sizes vary from small to large. Check the size guide on the product page for head

measurements and recommended fits to choose the right size.

Q: Is this cap suitable for everyday wear?

A: Yes. The cap is designed for both operational use at sea and everyday uniform wear, offering a balance of warmth and formal naval style.

Q: How do I adjust the fit of the cap?

A: The cap features a front buckle that allows personalized adjustment. Tighten or loosen the buckle until the cap feels secure without being uncomfortable.

Q: Is the cap weather resistant?

A: The robust cloth offers protection against wind and typical sea weather while remaining breathable. It is not guaranteed waterproof; use appropriate outerwear in heavy rain.

Q: Can I machine wash this cap?

A: Follow the washing instructions included with the cap. The manufacturer’s care label will indicate if machine washing is acceptable or if gentle hand cleaning is recommended.

Q: Is this an official Marina Militare item?

A: The cap is described as worn by Marina Militare personnel during winter navigation. Product availability and official issue status may vary; check the product details for provenance information.

Tip: Choose the correct size using the size guide and consider related uniform items or accessories to complete your look. Browse similar caps and naval outerwear to find the best match for duty, tactical use, or military surplus collections.
