Product short description:

The Targhetta Ricamata 118 Soccorso Sanitario is an embroidered identification patch for medical emergency personnel, offering a professional, easily recognizable insignia for uniforms and gear.

- **Material:** High-quality construction for resistance and long-term use.
- **Design:** Embroidered emblem provides a clear, professional look and quick recognition in critical situations.
- **Application:** Easy to attach to uniforms, backpacks or rucksacks; suitable for regular operational wear.
- **Ideal for:** 118 operators, paramedics and volunteers who want to display their service with pride.

Product description:

Product overview

The Embroidered 118 Soccorso Sanitario Patch is a Velcro-backed identification patch made for

emergency medical professionals and first responders. It reproduces the Pubblica Assistenza emblem with the emergency number 118 and the label "soccorso sanitario".

Definition: a 10 x 5 cm embroidered ID patch with rear Velcro for quick attachment to jackets and tactical gear. Ideal for EMS, paramedics, duty and tactical medical teams who need clear, fast identification.

Main features

Designed for durability and fast recognition, this patch combines professional embroidery with practical attachment for everyday use in rescue and medical duty situations.

- **Size:** 10 x 5 cm — visible without being bulky.
- **Design:** Detailed embroidered Pubblica Assistenza emblem with the number **118** and the cartouche **soccorso sanitario**.
- **Attachment:** Rear Velcro for instant, secure fitting on loop Velcro panels.
- **Materials:** Durable construction with water-resistant materials for regular outdoor use.
- **Professional look:** Precise embroidery for clear identification in emergency scenes.
- **Compatibility:** Fits any jacket or vest with loop Velcro panels.

How to use / When it’s useful

Quick answer: attach the patch to the loop-side Velcro panel on your jacket, chest or arm pocket — press firmly for a secure fit. No tools are required.

In most cases, this patch is useful during emergency response, public events, training, ambulance duty, and any situation where rapid recognition of medical staff improves coordination. Place it where it is most visible to colleagues and the public.

Care and notes

Basic care keeps the patch readable and durable while preserving the Velcro backing and embroidery.

- Clean with a damp cloth; avoid abrasive cleaners.
- Water-resistant but avoid prolonged submersion to maintain material life.
- Remove before machine washing clothing if possible to reduce wear on the Velcro.
- Avoid ironing directly over the embroidered surface or Velcro backing.

FAQ

Q: Is the patch water-resistant?

A: Yes. The patch is made from water-resistant materials for use in wet conditions, but it is not

meant for prolonged submersion.

Q: Can I customize the patch?

A: Currently this patch is sold in the standard version with the Pubblica Assistenza emblem and emergency number 118; custom versions are not offered.

Q: How do I attach the patch to my jacket?

A: The patch has a Velcro hook/loop system on the back. Attach it to the loop-side panel on your jacket and press firmly to secure.

Q: What are the exact dimensions?

A: The patch measures 10 x 5 cm, a size chosen to be clearly visible while remaining compact and unobtrusive.

Q: Will this patch fit all types of jackets?

A: It fits any jacket or vest that has a loop Velcro panel. If your garment has no Velcro, a compatible loop panel is needed for attachment.

Q: Is the emblem the official Pubblica Assistenza design?

A: The patch reproduces the international Pubblica Assistenza emblem and includes the emergency number 118 as shown on the product.

Tip: Choose the best placement for visibility (chest or upper arm) and check that your jacket has a matching loop Velcro panel; consider browsing other identification patches and tactical duty accessories to complete your kit.
