- **Use:** Suitable for display, ceremonial wear or as part of a collection.
- **Condition:** A symbol of prestige and dedication; wear with pride.

Product description:

Product overview

The Berretto Maschile da Luogotenente Aeronautica Militare is a formal lieutenant's service cap made for members of the Italian Air Force and for authorised collectors. It combines traditional

ceremonial design with durable construction for duty, parade, and official use.

Definition: a lieutenant's cap is a structured service hat that identifies rank and unit. This cap is suitable for military surplus collectors, tactical uniform displays, and official duty wear.

Main features

High-quality materials and careful finishing create a cap that holds its shape and appearance under regular use.

- **Removable dark blue cotton lining** for comfort and breathability during extended wear.
- **Millerighe band** that ensures a secure, neat fit on the head.
- **Structured internal frame** to maintain the cap’s shape after repeated use.
- **Hand-embroidered badge** in gold bullion (canutiglia dorata) representing the Aeronautica Militare emblem.
- **Gold trim and rank detailing** with a red border and a horizontal light-blue stripe; four gold rank stripes edged in red and highlighted with light blue.
- **Iconic dark blue colour** matching the official Air Force uniform tone.

How to use / When it’s useful

This cap is intended for formal and ceremonial wear with the Air Force uniform, for official duties, or as part of a verified collector’s display. Quick answer: the sale is regulated and primarily reserved for Aeronautica Militare personnel; collectors must show a prefectural licence as required by law.

In most cases, wear it for parades, ceremonies, official duty, and uniformed events where correct insignia and rank presentation are required. If you are a collector, prepare the required paperwork before ordering and keep the cap in its original shape to preserve value.

Care and notes

Follow a few simple rules to keep the cap in serviceable condition and to comply with sale requirements.

- Delivery: preparation time is typically 2–4 working days after document verification.
- Document requirements: military personnel must provide a copy of the CMD ID card or a service certificate; collectors must provide a prefectural licence under art. 28 TULPS. Send documents via the Tutto Militare contact form.
- Returns: allowed but the refund may be reduced to cover accessory disassembly costs; contact customer service for details.
- Personalisation: not available—design follows official Aeronautica Militare specifications.

FAQ

Q: Who is allowed to buy this cap?

A: The sale is regulated and reserved to Aeronautica Militare personnel after verification of documents. Collectors can buy only with the required prefectural licence.

Q: What documents do I need to complete the purchase?

A: Military buyers must send a copy of the CMD ID card or a service certificate. Collectors must provide the prefectural licence required by art. 28 TULPS.

Q: How long does delivery take?

A: Orders are prepared in 2–4 working days from the date the documentation is validated. Each cap is inspected before shipping to ensure quality.

Q: Can I return the cap if it does not fit?

A: Returns are accepted but the refund may be reduced to cover the cost of removing accessories and inspection. Contact customer service for the return procedure.

Q: How do I choose the correct size?

A: Measure head circumference with a tailor’s tape at the widest point above the ears. Compare that measurement with the Tutto Militare size guide or contact customer service for help.

Q: Can the cap be customised or altered?

A: No; the cap follows official Aeronautica Militare specifications and cannot be personalised. Any alteration may affect return eligibility and official appearance.

Tip: Choose the correct size by measuring your head and consult customer service if unsure; consider browsing related ceremonial and military surplus items at Tutto Militare to complete your uniform or collection.
