Product overview

The Medaglia Missione Anti Pirateria is a commemorative maritime medal for Armed Forces personnel, including the Carabinieri, who took part in anti-piracy operations to protect freedom of navigation. It is intended for military and duty collectors, veterans, and institutions that value official mission recognition.

Definition: a mission commemorative medal made in burnished silver-coloured metal that symbolizes service to maritime security and the freedom of navigation.

Main features

Clear, dignified design with quality materials and a ribbon that reflects Italian service recognition; suitable for wear or display by military staff and collectors.

- **Meaningful design:** Front shows a relief planisphere with an anchor and gherlino, symbols of maritime stability and control.
- **Reverse inscription:** Reads "PER LA PACE E PER LA LIBERTÀ DI NAVIGAZIONE" above the Marina Militare heraldic emblem.
- **Material:** Burnished silver-coloured metal for durability and a formal look.
- **Ribbon detail:** 12 mm light-blue ribbon with the Italian tricolour at the centre.
- **Size:** Design references 40 mm; the medal is supplied in the 37 mm format (see notes).

How to use / When it’s useful

Use this medal as formal recognition for personnel involved in anti-piracy duties, for display on uniforms where regulations allow, or as a commemorative item in collections and presentations. Quick answer: it’s for military and institutional recognition of anti-piracy service.

In most cases, ordering is done through the product page dropdown where you select the available format and complete the purchase; the medal is suitable for display in cases, shadow boxes, or ceremonial presentation. It also works well for museums, veterans’ associations, and duty archives.

Care and notes

Store and handle the medal like other metal commemoratives to preserve finish and detail; see practical notes below.

- Keep in a dry place away from prolonged direct sunlight to avoid ribbon fading.
- Clean gently with a soft cloth; avoid abrasive cleaners that could damage the burnished finish.
- Confirm uniform regulations before wearing in official contexts.
- Note on size: the product description references a 40 mm design, but this item is supplied in the 37 mm format.

FAQ

Q: What is the diameter of the medal?

A: The product is supplied in the 37 mm format. The design text also references a 40 mm plan,

but the available item is 37 mm.

Q: What material is the medal made from?

A: It is made from burnished silver-coloured metal, chosen for durability and a formal appearance suitable for display or wear.

Q: Who is eligible to receive this medal?

A: The medal commemorates Armed Forces personnel, including the Carabinieri, who participated in anti-piracy operations to safeguard navigation freedom.
