How to use / When it’s useful

Quick answer: Attach the pair to your badge holders or travette on a gala infantry uniform for a traditional, formal appearance. In most cases, they are used on the dress tunic for parades, ceremonies, and formal inspections.

Fit one insignia on each side of the badge mount or in the designated position on the uniform bar. These are also suitable for resale in military surplus or tactical equipment stores and for restoring period-accurate dress uniforms.

Care and notes

Basic care keeps the metal finish clear and presentable for long-term display on uniforms.

- Wipe with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners that could remove the gold-coloured finish.
- Designed for gala dress use; not a safety or functional weapon accessory.
- Limited availability — stock may be restricted due to demand.

FAQ

Q: What are the dimensions of the Fregini Armetta Gala Fanteria?

A: Each insignia measures 2.5 cm in height. This size is intended to fit standard gala uniform badge mounts without overpowering the tunic.

Q: What material are the insignia made of?

A: They are made of gold-coloured metal. The finish is designed for visual durability on dress uniforms.

A: They are fitted to portadistintivi or travette (badge holders / uniform bars). Installation is straightforward — place and secure on the badge mount as required.

Q: Are these insignia suitable for all uniforms?
