Product overview

The Fregini Armetta Gala Corpo Automobilistico are gold-coloured metal insignia made for the gala uniform of the Corpo Automobilistico. They are intended for officers and uniformed personnel who need a formal, recognizable emblem for ceremonies and official events.

Definition: these are decorative armetta insignia (pair) in gold metal featuring a straight flame over a steering wheel with two open wings. They add a formal, professional detail to duty, police, and ceremonial dress.

Main features

Clean construction and compact size make these insignia suitable for formal uniforms where a polished look is required.

- **Distinctive design:** straight flame above a steering wheel with two open wings, instantly identifiable.
- **Gold metal finish:** durable metal with a gold-coloured surface for a refined appearance.
- **Compact size:** height 2.5 cm, proportioned for gala uniforms without being bulky.
- **Sold as a pair:** supplied in matching left and right pieces for balanced presentation.
- **Easy to fit:** designed for quick and secure installation on gala dress.

How to use / When it’s useful

Use these insignia on the gala uniform for formal ceremonies, parades, official receptions, and other events where a polished appearance is required. Quick answer: they mount quickly and securely to formal dress and are intended for ceremony and official duty wear.

They work well for police, duty, and ceremonial contexts where standardised insignia are required. In most cases, officers wear them on the chest or shoulder of the gala jacket following their unit regulations.

Care and notes

Simple care will keep the insignia bright and serviceable while limited stock may affect availability.

- Wipe with a soft, dry or slightly damp cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that may damage the finish.
- Store dry and protected from scratches when not in use.
- Note: availability is limited due to demand—check current stock before ordering.
