How to use / When it’s useful

Use the badge to show unit affiliation on dress or field uniforms, as a hat badge, or as part of a collected set of military insignia. Choose the variant that corresponds to rank or presentation—troop, Volontari/Marescialli, or Ufficiali.

Quick answer: Yes — the badge is suitable for wearing on uniforms and hats or for display. In most cases, select the hand-embroidered canutiglia version if you want a more formal officer-style badge; choose black or machine-gold thread for daily or general use.

Care and notes

Keep the badge in good condition with simple, careful handling and storage; hand-embroidered pieces require gentler care.

- Store flat or mounted to avoid creasing.
- Avoid aggressive washing; spot clean gently if needed.
- Handle the hand-embroidered canutiglia version with care to preserve stitching and metallic thread.
- Availability is limited and demand is high; consider ordering promptly.
