Product overview

The Coccarda a Due Code Tricolore Italia is a small, elegant lapel cockade for anyone who wants to show Italian national pride in a subtle, formal way. It suits civilians, veterans, ceremonial duty, police, and collectors who prefer a refined accessory.

Definition: a two-tail tricolour cockade is a 3 cm wide lapel accessory featuring the colours of the Italian flag and a central green fastening. It is a tricolour lapel pin commonly used as a patriotic or ceremonial detail.

Main features

Designed for discreet wear, this cockade combines clear national symbolism with durable construction and an easy fastening system.

- **Classic tricolour design:** two 9 mm wide tails in green, white and red that mirror the Italian flag.
- **Compact size:** 3 cm overall width — visible yet unobtrusive on a lapel or collar.
- **Green centre fastener:** a small green star-style pin secures the cockade to the jacket or coat collar.
- **Durable materials:** made to keep its shape and colour with normal use.
- **Easy to attach and remove:** fitted for quick use without damaging fabric when handled correctly.
- **Suitable for formal and duty wear:** works well for ceremonies, national events, uniformed duty, or everyday wear.

How to use / When it’s useful

Quick answer: pin it to the lapel or collar using the green centre fastener for a secure hold. Use it for national holidays, official ceremonies, or any event where a subtle patriotic detail is appropriate.

In most cases, attach the cockade by pressing the centre fastener through the fabric and securing it from the inside; remove it carefully before laundering garments. It is useful for tactical or military surplus enthusiasts, police duty dress, and ceremonial outfits where a small, respected emblem is needed.

Care and notes

Store and handle the cockade gently to preserve its shape and finish; regular care keeps it looking correct on uniforms and civilian jackets.

- **Handle gently:** avoid rough pulling when attaching or removing to protect both the cockade and the fabric.
- **Remove before washing:** take the cockade off garments before cleaning to prevent damage.
- **Store flat or hung:** keep in a dry place to maintain shape and colours.
